

**DEPARTMENT OF HEALTH CARE SERVICES
NOTICE OF GENERAL PUBLIC INTEREST
RELEASE DATE: APRIL 21, 2020**

**PROPOSED STATE PLAN AMENDMENT REGARDING
THE GROUND EMERGENCY MEDICAL TRANSPORT
QUALITY ASSURANCE FEE PROGRAM**

This notice provides information of public interest regarding a proposed State Plan Amendment (SPA) by the Department of Health Care Services (DHCS). Proposed SPA 20-0009 would continue the Ground Emergency Medical Transportation (GEMT) time-limited Quality Assurance Fee (QAF) program and the reimbursement add-on provided for Medi-Cal emergency medical transports for the service period of July 1, 2020 through June 30, 2021.

Senate Bill (SB) 523 (Chapter 773, Statutes of 2017) established a QAF program for GEMT, effective July 1, 2018. Under this program, DHCS collects a QAF on all ground emergency medical transports, regardless of payer type, as identified by the service codes listed below. The QAF is used to increase reimbursement to eligible emergency medical transport providers by application of an add-on to the Medi-Cal fee-for-service fee schedule amount for the following service codes:

Service Code	Description
A0225	Neonatal Emergency Transport
A0429	Basic Life Support
A0427	Advanced Life Support, Level 1
A0433	Advanced Life Support, Level 2
A0434	Specialty Care Transport

SPA 20-0009 will continue to increase reimbursement to emergency medical transport providers by application of an add-on to the Medi-Cal fee-for-service fee schedule amount for the above-listed service codes. DHCS estimates that the annual aggregate Medi-Cal expenditures for ground emergency medical transports will increase by \$36.9 million in total funds.

All SPAs are subject to approval by the federal Centers for Medicare and Medicaid Services (CMS).

PUBLIC REVIEW AND COMMENTS

Upon submission to CMS, a copy of the proposed SPA 20-0009 will be published at the following internet address:
