Who is Invited?

This webinar is open to all members of the public. Behavioral health board/commission members, county behavioral health staff, state legislative staff, and other stakeholders with an interest in behavioral health are highly encouraged to attend.

What Will I Learn?

This educational webinar, presented by the CBHPC Performance Outcomes Committee, will provide information on the importance of Wellness and Recovery Centers in the Public Behavioral Health System. Panelists will share findings and recommendations from the 2025 Data Notebook Overview Report and the California Association of Social Rehabilitation Agencies (CASRA) Wellness and Recovery Center Report, followed by an interactive Questions and Answers session.

ABOUT THE COUNCIL

The [California Behavioral Health Planning Council](#) (CBHPC) is a majority Consumer and Family member advisory body to state and local government, the Legislature, and residents of California on behavioral health services in California. The vision and mission of the CBHPC guides its evaluation of California's behavioral health care system. The CBHPC has a responsibility to inform the Administration and the Legislature on priority issues.
