TO: ALL COUNTY WELFARE DIRECTORS Letter No.: 16-03  
ALL COUNTY WELFARE ADMINISTRATIVE OFFICERS  
ALL COUNTY MEDI-CAL PROGRAM SPECIALISTS/LIAISONS  
ALL COUNTY HEALTH EXECUTIVES  
ALL COUNTY MENTAL HEALTH DIRECTORS

SUBJECT: 2016 Federal Poverty Levels

The enclosed charts provide the 2016 poverty level ceilings for Medi-Cal, Medi-Cal Access Program (MCAP), MCAP-Linked Infants, and County Children's Health Initiative Program (C-CHIP). C-CHIP is available in San Francisco, Santa Clara and San Mateo counties only. These ceilings are derived from the annual Federal Poverty Level (FPL) figures published in the Federal Register on January 25, 2016. In this All County Welfare Directors letter (ACWDL), the Department of Health Care Services (DHCS) is providing 2016 monthly FPL values (enclosure 1) as well as 2016 annual FPL values (enclosure 2).

Counties must review all denials and discontinuances for the following groups back to the date specified for each group in the attached chart and reevaluate eligibility based on the revised FPL figures pursuant to the effective dates, as specified below.

- For applicants and beneficiaries who are parent/caretaker relatives, children, pregnant women and non-Medicare recipients who are age 19 up to 65 whose eligibility is determined based upon Modified Adjusted Gross Income methodologies, the new FPLs are effective January 1, 2016, due to whole month eligibility.

**Please note:** Due to delays in implementing these FPLs in the California Healthcare Eligibility Enrollment and Retention System (CalHEERS), DHCS has initiated a Change Request for the CalHEERS system to update the annual FPL amounts automatically. However, DHCS will still need to send a notice to the beneficiaries potentially impacted by the change, to inform them of the FPL increase and that they may request a redetermination. The Centers for Medicare and Medicaid Services has decided that there will be no reimbursement for premiums paid. The notice will state that no premium reimbursements will be available. Therefore,

counties shall retroactively change eligibility only for those Optional Targeted Low-Income Children's Program eligible children, Advance Premium Tax Credit eligible individuals who did not enroll in a plan or did not pay a premium, and individuals who are eligible only for the Medi-Cal programs with a share-of-cost in the same month. Finally, counties shall move pregnant women eligible in aid code M9 on or after January 1, 2016, to the date these FPLs are implemented, to aid code M7 only, as described in accordance with ACWDL 15-35, to ensure continuity of care.

- For applicants and recipients of the Medicare Savings Programs (MSP), Qualified Medicare Beneficiary, Specified Low-Income Medicare Beneficiary and Qualified Individual 1, who do not receive Title II Retirement Survivors and Disability Insurance (RSDI) income, counties must apply the new FPL figures retroactively to January 1, 2016.
- For MSP applicants or recipients who are receiving Title II RSDI income, the effective date for the new FPLs is March 1, 2016.
- For individuals who are eligible for the Aged, Blind and Disabled FPL programs, the effective date of the revised FPL figures is April 1, 2016.

When determining eligibility for retroactive coverage for months in 2015, use the FPL and related charts referenced in ACWDL 15-14.
