

The Department of Health Care Services (DHCS) identified the third cohort of one-hundred and sixty (160) Local Educational Agencies (LEAs) and public Institutions of Higher Education (IHEs) approved to participate in the Children and Youth Behavioral Health Initiative (CYBHI) statewide multi-payer school-linked fee schedule (Fee Schedule) program and statewide provider network. The Welfare and Institutions Code §5961.4(b) authorizes DHCS to “develop and maintain a school-linked statewide provider network of school-site behavioral health counselors.” To develop the CYBHI Fee Schedule provider network, DHCS implemented an operational readiness review process for all interested County Offices of Education (COE), LEAs, and IHEs. In determining readiness for this cohort, DHCS considered a variety of factors, including, but not limited to: Medi-Cal enrollment, service delivery infrastructure and capacity building, data collection and documentation, and billing infrastructure.

These one hundred and fifty-five (155) LEAs and five (5) IHEs were determined by DHCS to meet the readiness review requirements and will consist of the following LEAs and IHEs:
