Dear [Member Name],

You got this letter because you or people in your family are members in Fee-For-Service (FFS) Medi-Cal (Regular Medi-Cal). FFS Medi-Cal will not be available in your county starting January 1, 2024.

Medi-Cal health plan that will no longer be available:

You will be automatically enrolled in this Medi-Cal health plan on January 1, 2024:

[MCP Name]

[XXX-XXX-XXXX]

Your health plan change is part of statewide upgrades to Medi-Cal

Starting in 2024, Medi-Cal health plans will have new rules to advance health equity, quality, access, accountability, and transparency. As part of this, some Medi-Cal health plans will change on January 1, 2024.

Your Medi-Cal eligibility and benefits will not change

This health plan change does **not** affect your Medi-Cal eligibility and benefits. You do not need to call your eligibility worker unless you need to update personal information. If you have changes to report, contact your local Medi-Cal county office. You can find a list of county offices at www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx.

You may be able to keep your Medi-Cal doctor

If your doctor works with your new Medi-Cal health plan, you can keep your Medi-Cal doctor.

If your doctor does **not** work with your new Medi-Cal health plan, you might be able to keep your doctor and other providers for 12 months if you ask your new

Medi-Cal health plan for “continuity of care.” If you want continuity of care, call your **new** Medi-Cal health plan’s member services phone number once you join the new Medi-Cal health plan.

To learn more about Medi-Cal health plan choices for you and your family and find doctors who work with Medi-Cal health plans, call Medi-Cal HCO Monday – Friday, 8 a.m. to 6 p.m. at 1-800-430-4263 (TTY: 1-800-430-7077). Or go to **www.healthcareoptions.dhcs.ca.gov**.

Your Medicare benefits will not change

If you are enrolled in Medicare, your Medicare benefits and providers will not change when your Medi-Cal health plan changes, unless you change your Medicare Advantage plan. Your Medicare providers:

- Do not have to be in your Medi-Cal health plan network to keep caring for you.
- Cannot charge you co-pays, co-insurance, and deductibles if you have Medi-Cal.
- Should bill your Medi-Cal health plan for co-pays, co-insurance, and deductibles even if they are not in the Medi-Cal network.

American Indian and Alaska Native Members

If you are an American Indian or Alaska Native member enrolled in a Medi-Cal health plan, you may get services from an Indian Health Care Provider of your choice. If you have questions about your benefits, call your Medi-Cal health plan or the Medi-Cal Ombudsman at 1-888-452-8609.

You will keep getting these benefits the same way you get them today:

- Medicare benefits
- Home and community-based services
- In-home supportive services (IHSS)
- Pharmacy services
- Substance use disorder (SUD) treatment services
- Specialty mental health services
- Dental services
- Regional Center services
