Re: California State Plan Amendment (SPA) 20-0036

Dear Director Sadwith:

The Centers for Medicare & Medicaid Services (CMS) reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 20-0036. This amendment proposes to align the Alternative Benefit Plan with the Medicaid state plan by allowing physician assistants, nurse practitioners, and clinical nurse specialists, in addition to physicians, to order home health services, including durable medical equipment and medical supplies.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing regulations at 42 Code of Federal Regulations (CFR) 440.70. This letter is to inform you that California Medicaid SPA 20-0036 was approved on December 12, 2024 with an effective date of October 1, 2020.

Enclosed are copies of Form CMS-179 and approved SPA pages to be incorporated into the California State Plan.

If you have any questions, please contact Cheryl Young at 415-744-3598 or via email at Cheryl. Young@cms.hhs.gov.

Sincerely,

James G. Scott, Director Division of Program Operations
