

## **NOTICE OF GENERAL PUBLIC INTEREST**

RELEASE DATE: DECEMBER 30, 2025

### **PROPOSED STATE PLAN AMENDMENT 26-0004 REGARDING SUPPLEMENTAL PAYMENTS FOR HOSPITAL INPATIENT SERVICES TO ELIGIBLE HOSPITALS IN THE HOSPITAL QUALITY ASSURANCE FEE PROGRAM UP TO THE FEDERAL UPPER PAYMENT LIMIT**

This notice provides information of public interest that the Department of Health Care Services (DHCS) proposes to submit State Plan Amendment (SPA) 26-0004. Proposed SPA 26-0004 will provide supplemental payments to eligible private hospitals that meet specified requirements and provide hospital inpatient services to Medi-Cal beneficiaries. The nonfederal share of these supplemental payments will be funded by California's Hospital Quality Assurance Fee (HQAF), in accordance with Section 3.5 of Article XVI of the California Constitution and the Medi-Cal Hospital Reimbursement Improvement Act of 2013 (California Welfare and Institutions Code section 14169.50, et seq.).

Supplemental payments provided to hospitals would be up to the aggregate UPL for the period of January 1, 2026, through December 31, 2026. The proposed SPA would allow payments to be on a lump-sum quarterly basis and not paid as individual increases to current reimbursement rates for specific services.

Payments to eligible California private hospitals would supplement, and not supplant, payments to which the hospitals would otherwise be entitled. Additionally, the payments would be subject to all applicable federal payment requirements and limits.

The proposed SPA is estimated to increase the aggregate payments to specified California private hospitals from January 1, 2026, through December 31, 2026. The corresponding hospital fee model is still under development. Pending finalization of the hospital fee model, the annual aggregate expenditures for inpatient services may be approximately \$1.2 billion. However, this amount is subject to finalization of the hospital fee model and may change.

The effective date of the proposed SPA is January 1, 2026. All proposed SPAs are subject to approval by CMS.
