communication with others within their organizations about such activities. *[Parties may agree to meet more frequently.]* These meetings may be conducted virtually.

b. Within 30 Working Days after each quarterly meeting, MCP must post on its website the date and time the quarterly meeting occurred and, as applicable, distribute to meeting participants a summary of any follow-up action items or changes to processes that are necessary to fulfill MCP's obligations under the Medi-Cal Managed Care Contract and this MOU.

c. MCP must invite the First 5 Responsible Person and appropriate First 5 program executives to participate in MCP quarterly meetings to ensure appropriate committee representation, including a local presence, and to discuss and address care coordination and MOU-related issues. 10. Quality Improvement. The Parties must develop QI activities specifically for the oversight of the requirements of this MOU, including, without limitation, any applicable performance measures and QI initiatives, including those to prevent duplication of services and reports that track referrals, Member engagement, and service utilization.

[For example, MCP and First 5 routinely evaluate whether MCP is effectively referring Members for First 5 Services and, if necessary, identify ways to improve this process.] MCP must document these QI activities in its policies and procedures. Where appropriate, MCP should include First 5 as a resource and partner in QI initiatives.

[The Parties may agree to additional requirements, such as a requirement that the Parties must adopt joint policies and procedures establishing and addressing QI activities for coordinating the care and delivery of services for Members.]

11. Data Sharing and Confidentiality. As applicable, appropriate, and feasible, the Parties must implement policies and procedures to ensure that the minimum necessary Member information and data for accomplishing the goals of this MOU are exchanged timely and maintained securely and confidentially, and in compliance with the requirements set forth below. - *MCP and First 5 must enter into the State's Data Exchange Framework Data Sharing Agreement for the safe sharing of information.*
- *To the extent the Parties deem it necessary and/or appropriate, they can reference a business associate agreement ("BAA") to be integrated into the Agreement by a reference in this subsection to a BAA as Exhibit D.]*

³ Per the CalAIM Population Health Management Policy Guide, "Risk Stratification and Segmentation (RSS) means the process of differentiating all Members into separate risk groups and/or meaningful subsets. RSS results in the categorization of all Members according to their care and risk needs at all levels and intensities."

c. **Interoperability.** MCP must make available to Members their electronic health information held by MCP pursuant to 42 Code of Federal Regulations section 438.10 and in accordance with APL 22-026 or any subsequent version of the APL. MCP must make available an application programming interface that makes complete and accurate Network Provider directory information available through a public-facing digital endpoint on MCP's website pursuant to 42 Code of Federal Regulations sections 438.242(b) and 438.10(h).

[The Parties may agree to additional requirements such as:

Disaster and Emergency Preparedness. *The Parties must develop policies and procedures to mitigate the effects of natural, man-made, or war-caused disasters involving emergency situations and/or broad health care surge events greatly impacting the Parties' health care delivery system to ensure the continued coordination and delivery of First 5 Services and MCP's Covered Services for impacted Members.]*

a. The Parties must agree to dispute resolution procedures such that, in the event of any dispute or difference of opinion regarding the Party responsible for service coverage arising out of or relating to this MOU, the Parties must attempt, in good faith, to promptly resolve the dispute mutually between themselves. MCP must, and First 5 should, document the agreed-upon dispute resolution procedures in policies and procedures. Pending resolution of any such dispute, the Parties must continue without delay to carry out all their responsibilities under this MOU, including providing Members with access to services under this MOU, unless this MOU is terminated. If the dispute cannot be resolved within *[suggested: 15 Working Days]* of initiating such dispute or such other period as may be mutually agreed to by the Parties in writing, either Party may pursue its available legal and equitable remedies under California law.

b. Disputes between MCP and First 5 that cannot be resolved in a good faith attempt between the Parties must be forwarded by MCP and may be forwarded by First 5 to DHCS. Until the dispute is resolved, the Parties may agree to an arrangement satisfactory to both Parties regarding how the services under dispute will be provided.
