Medicaid and CHIP Operations Group

August 15, 2023

Jacey Cooper Chief Deputy Director, Health Care Programs California Department of Health Care Services P.O. Box 997413, MS 0000 Sacramento, CA 9589907413

Re: California State Plan Amendment (SPA) 18-0041

Dear Ms. Cooper:

The Centers for Medicare & Medicaid Services (CMS) reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 18-0041. This amendment proposes to align the Alternative Benefit Plan (ABP) with the Medicaid state plan by adding Diabetes Prevention Program (DPP) services for adults ages 18 years and older who meet certain federal Centers for Disease Control and Prevention (CDC) Diabetes Prevention Recognition Program (DPRP) eligibility criteria.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing regulations 42 Code of Federal Regulations 440.347. This letter is to inform you that California Medicaid SPA 18-0041 was approved on August 15, 2023 with an effective date of January 1, 2019.

If you have any questions, please contact Cheryl Young at 415-744-3598 or via email at Cheryl. Young@cms.hhs.gov.

Sincerely,

Digitally signed by James G. Scott -S

preliminary, or full recognition by the Centers for Disease Control and Prevention (CDC) for DPP. DPP services include individual and group nutrition and behavioral counseling as well as physical activity and fitness assessments to help prevent or delay the onset of type 2 diabetes for beneficiaries with indications of prediabetes, over the course of 1-2 years. DPP services are delivered by lifestyle coaches who have completed nationally recognized training for delivery of DPP services. Lifestyle coaches may be physicians; licensed nonphysician practitioners; and unlicensed practitioners under the supervision of a DPP services provider or a licensed Medi-Cal practitioner.
