THIS LETTER SENT VIA EMAIL

Martha Santana-Chin, Government Program Officer
Health Net Community Solutions, Inc.
21281 Burbank Boulevard
Woodland Hills, CA 91367

**NOTICE OF IMPOSITION OF MONETARY SANCTIONS FOR FAILURE TO MEET OR
EXCEED MINIMUM PERFORMANCE LEVELS FOR MEDI-CAL MANAGED CARE
ACCOUNTABILITY SET PERFORMANCE MEASURES**

Dear Martha Santana-Chin,

The Department of Health Care Services (DHCS) sends this Notice of Imposition of Monetary Sanctions Letter on Health Net Community Solutions, Inc. for failure to meet or exceed required minimum performance levels (MPLs) for measurement year 2023 (MY23)⁸ Medi-Cal Managed Care Accountability Set (MCAS) performance measures (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements).

On September 5, 2024, DHCS received validated MCAS measure rates from the External Quality Review Organization and confirmed that Health Net Community Solutions, Inc. has 74 plan-wide measures below MPL across 3 domain(s) for MY23 (see Table 2 for enforcement tier designation triggers).

Health Net Community Solutions, Inc. did not request a meet and confer conference with DHCS within two business days after the effective date of the Notice of Intent to Impose Monetary Sanctions Letter that was sent on October 25, 2024. This Notice of Imposition of Monetary Sanctions Letter supersedes the Notice of Intent to Impose Monetary Sanctions Letter and is made in accordance with W&I section 14197.7(g) and with the Quality Sanction Bulletin issued October 17, 2024. DHCS is imposing monetary sanctions for Health Net Community Solutions, Inc.'s failure to comply with its obligations set forth in the Medi-Cal managed care plan (MCP) contract. Under W&I section

⁸ Measurement Year 2023 (MY 2023) covered activities conducted from January 1, 2023, to December 31, 2023.

14197.7(f) and the MCP contract, DHCS is authorized to impose a \$25,000 sanction per violation of Health Net Community Solutions, Inc.'s contractual obligation to meet or exceed MPLs for each MCAS performance measure (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements).

The total sanction amount for Health Net Community Solutions, Inc. is \$519,000 for the following 74 measures below the MPL for MY23:

Quality Reporting Unit	Measures*	Domains*	MCP Rates	MPL	TRENDING Difference from HEDIS MY 2022	Population Impacted

*Please see Table 1 for acronym definitions

Successful administration of the Medi-Cal program requires a collaborative partnership between DHCS and MCPs. This collaboration includes the expectation that MCPs will meet or exceed their contractual and programmatic requirements on an ongoing basis. Health Net Community Solutions, Inc. and DHCS regularly collaborated on strategies for improving the Plan's MCAS performance measures required to meet or exceed MPLs (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements).

As noted above, DHCS is authorized to impose sanctions for failure to meet or exceed MPLs for each MCAS performance measure. Health Net Community Solutions, Inc. confirming failure to meet or exceed the MPLs as outlined in the contract creates good cause for DHCS to impose monetary sanctions (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements; Exhibit E, Program Terms and Conditions, section 1.1.19 Sanctions; W&I § 14197.7(e)).

Pursuant to W&I section 14197.7 and in accordance with APL 23-012, DHCS has considered the factors set forth in W&I section 14197.7(f) and (g) in determining the sanction amount, including the following:

- Scope of the violations, which are determined by the number of eligible members impacted by the quality-of-care violation (e.g., the number of eligible members who did not receive the recommended preventive service).
- In determining the nature, scope, and gravity of the violation under W&I section 14197.7(g)(1), DHCS will consider the degree to which the MCP is below the MPL for the measure at issue and will increase sanction

California Health and Human Services Agency

amounts per violation based upon the severity of the violation (see Table 3 for violation factors).

- DHCS will consider whether the MCP's performance on the MPL at issue has improved or worsened over the previous MY under W&I section 14197.7(g)(6). If performance has worsened over the previous MY, the sanction amount will increase; and if performance has improved, the sanction amount will decrease (see Table 4 for trending factors).
- DHCS has reduced the total sanction amount for MCPs in counties with Healthy Places Index (HPI) scores under the 50th percentile, as determined by DHCS (see Table 5 for HPI percentile and impact factors). **This amount has already been accounted for in the sanction total above.**

MCP by County	HPI Percentile	HPI Impact Factor
Health Net/Kern	1.8%	50.0%
Health Net/Los Angeles	33.3%	20.0%
Health Net/Sacramento	50.0%	0.0%
Health Net/San Diego	62.9%	0.0%
Health Net/San Joaquin	24.0%	30.0%
Health Net/Stanislaus	29.6%	30.0%
Health Net/Tulare	3.7%	50.0%

Please follow the included payment instructions to effectuate payment in full to DHCS. Please indicate the name of the MCP, MY, and the reason for payment when submitting your payment to DHCS. The effective date of this sanction is December 6, 2024. Payment for the MCAS MY23 Sanctions is due immediately.

If **Health Net Community Solutions, Inc.** does not pay within 30 business days, **Health Net Community Solutions, Inc.** will receive a past due notice. Please provide notice of receipt and payment via email to DHCS' Quality Monitoring inbox. Please include the account number and check number or wire transfer number once payment has been sent.

If you have any questions, send an email to the Quality Monitoring inbox at QualityMonitoring@dhcs.ca.gov.
