

Beneficiary Dental Exception (BDE)

Reporting Month: June 2023

The Department of Health Care Services (DHCS) has completed this report in compliance with Welfare and Institutions Code (WIC) Section [14089.09](#) (c) regarding Medi-Cal members who have requested the Beneficiary Dental Exception (BDE) process. Information regarding the BDE process can be found on the Medi-Cal dental website: [Beneficiary Dental Exception](#), and is available to Medi-Cal DMC members in Sacramento County to ensure timely access to services through their dental managed care plan. Upon receiving a BDE request, DHCS works with the DMC plans on behalf of the member to schedule an appropriate appointment within specified timeframes, based on the member's needs. If no such appointment is secured, members may request to opt out of Medi-Cal DMC and move into Medi-Cal Dental FFS where the member may select a dental FFS provider.

Starting with the June 2023 reporting period, and in accordance with reporting requirements in Welfare and Institutions Code Section 14048.09, this monthly report reflects actual BDE requests from members to be exempted from receiving services through the dental managed care delivery system. Non-BDE requests received through the BDE phone line and on the BDE form but not actually requesting the BDE process will no longer be reported. In addition, BDE reports will be posted monthly only. This report includes BDE requests received in the reporting month, updates to BDE requests received in the previous month, and 2022 vs. 2023 summary.

DHCS' outcomes are reported as:

- *Successful* - member was able to get an appointment and seen by a DMC provider.
- *Unsuccessful* - member was not able to get an appointment and was granted exception to FFS.
- *Abandoned by the member* - member was contacted and did not respond, or offered an appointment with a DMC provider but did not accept the offer or attend the appointment.

Timely access requirements for appointment timeframes per the [DMC contract](#) are as follows and reported as type of visit:

- Emergency – 24 hours
- Urgent – 72 hours (3 days)
- Routine – 4 weeks
- Specialist – 30 days from authorized request
