**NOTICE OF IMPOSITION OF MONETARY SANCTIONS FOR FAILURE TO MEET OR  
EXCEED MINIMUM PERFORMANCE LEVELS FOR MEDI-CAL MANAGED CARE  
ACCOUNTABILITY SET PERFORMANCE MEASURES**

Dear Sonja Bjork,

The Department of Health Care Services (DHCS) sends this Notice of Imposition of Monetary Sanctions Letter on Partnership HealthPlan of California for failure to meet or exceed required minimum performance levels (MPLs) for measurement year 2023 (MY23)<sup>3</sup> Medi-Cal Managed Care Accountability Set (MCAS) performance measures (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements).

On September 5, 2024, DHCS received validated MCAS measure rates from the External Quality Review Organization and confirmed that Partnership HealthPlan of California has 33 plan-wide measures below MPL across 3 domain(s) for MY23 (see Table 2 for enforcement tier designation triggers).

On November 4, 2024, DHCS met and conferred with Partnership HealthPlan of California via recorded video conference. At this conference, Partnership HealthPlan of California presented its concerns, raised questions, and had the opportunity to present information and evidence with respect to the issues raised in the Notice of Intent to Impose Monetary Sanctions Letter. Pursuant to Section 14197.7(h) of the Welfare and Institutions Code (W&I), DHCS has considered Partnership HealthPlan of California's concerns and the presented information, and DHCS now issues this Notice of Imposition of Monetary Sanctions Letter for Partnership HealthPlan of California's failure to meet or

<sup>3</sup> Measurement Year 2023 (MY23) covered activities conducted from January 1, 2023, to December 31, 2023.

exceed required MPLs for MY23 MCAS performance measures. While DHCS appreciates the opportunity to discuss this sanction with Partnership HealthPlan of California after considering the information and arguments presented by Partnership HealthPlan of California, DHCS has made no change to the sanction amount. As DHCS is issuing this Notice of Imposition of Monetary Sanctions Letter after the meet and confer conference pursuant to W&I section 14197.7(h), DHCS's meet and confer obligations with respect to these sanctions are exhausted. This Notice of Imposition of Monetary Sanctions Letter supersedes the Notice of Intent to Impose Monetary Sanctions Letter issued October 25, 2024, and is made in accordance with W&I section 14197.7(g) and with the Quality Sanction Bulletin issued October 17, 2024.

DHCS is imposing monetary sanctions for Partnership HealthPlan of California's failure to comply with its obligations set forth in the Medi-Cal managed care plan (MCP) contract. Under W&I section 14197.7(f) and the MCP contract, DHCS is authorized to impose a \$25,000 sanction per violation of Partnership HealthPlan of California's contractual obligation to meet or exceed MPLs for each MCAS performance measure (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements).

**The total sanction amount for Partnership HealthPlan of California is \$475,000 for the following 33 measures below the MPL for MY23:**

Successful administration of the Medi-Cal program requires a collaborative partnership between DHCS and MCPs. This collaboration includes the expectation that MCPs will meet or exceed their contractual and programmatic requirements on an ongoing basis. Partnership HealthPlan of California and DHCS regularly collaborated on strategies for improving the Plan's MCAS performance measures required to meet or exceed MPLs (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements).

As noted above, DHCS is authorized to impose sanctions for failure to meet or exceed MPLs for each MCAS performance measure. Partnership HealthPlan of California confirming failure to meet or exceed the MPLs as outlined in the contract creates good cause for DHCS to impose monetary sanctions (Exhibit A, Attachment 3, Quality Improvement System, section 2.2 External Quality Review Requirements; Exhibit E, Program Terms and Conditions, section 1.1.19 Sanctions; W&I § 14197.7(e)).

Pursuant to W&I section 14197.7 and in accordance with APL 23-012, DHCS has considered the factors set forth in W&I section 14197.7(f) and (g) in determining the sanction amount, including the following:

- Scope of the violations, which are determined by the number of eligible members impacted by the quality-of-care violation (e.g., the number of eligible members who did not receive the recommended preventive service).
- In determining the nature, scope, and gravity of the violation under W&I section 14197.7(g)(1), DHCS will consider the degree to which the MCP is below the MPL for the measure at issue and will increase sanction amounts per violation based upon the severity of the violation (see Table 3 for violation factors).
- DHCS will consider whether the MCP's performance on the MPL at issue has improved or worsened over the previous MY under W&I section 14197.7(g)(6). If performance has worsened over the previous MY, the sanction amount will increase; and if performance has improved, the sanction amount will decrease (see Table 4 for trending factors).
- DHCS has reduced the total sanction amount for MCPs in counties with Healthy Places Index (HPI) scores under the 50<sup>th</sup> percentile, as determined by DHCS (see Table 5 for HPI percentile and impact factors). **This amount has already been accounted for in the sanction total above.**

MCP by County	HPI Percentile	HPI Impact Factor
Partnership/Northeast	44.4%	10.0%
Partnership Northwest	46.2%	10.0%
Partnership/Southeast	79.6%	0.0%
Partnership/Southwest	83.3%	0.0%

Please follow the included payment instructions to effectuate payment in full to DHCS. Please indicate the name of the MCP, MY, and the reason for payment when submitting your payment to DHCS. The effective date of this sanction is 12/6/2024. Payment for the MCAS MY23 Sanctions is due immediately.
