Who is Invited?

This forum is open to the public. We want to hear from the behavioral health community, including persons with lived experience of California's public behavioral health system, their family members, and persons advocating on behalf of individuals with Serious Mental Illness (SMI) and Substance Use Disorder (SUD).

What Will I Learn?

The forum will provide information on the Behavioral Health Transformation (BHT) Implementation. This includes the Behavioral Health Services Act ([Senate Bill 326](#)) and the Bond Act ([Assembly Bill 531](#)).

How Will My Input Be Used?

What you share is used to develop the Council's policy recommendations and determines our advocacy priorities.

ABOUT THE COUNCIL

The [California Behavioral Health Planning Council](#) (CBHPC) is a majority Consumer and Family member advisory body to state and local government, the Legislature, and residents of California on behavioral health services in California. The vision and mission of the CBHPC guides its evaluation of California's behavioral health care system. The CBHPC has a responsibility to inform the Administration and the Legislature on priority issues.
