

LGBTQ+ Cancer Screening

The EWC Program provides **FREE**:

Chest/Breast cancer screening and diagnostics for:

- ✓ cisgender women
- ✓ trans women who have taken hormones
- ✓ trans men who have not had top surgery (bilateral mastectomy) or only have breast reduction

Cervical cancer screening and diagnostic services for everyone with a cervix.

Getting screened can help detect any abnormalities early, increasing the chances of survival. EWC can help get you screened.

Call (800) 511-2300 or visit dhcs.ca.gov/OPL to learn if you're eligible.
