Description:	<p>Purpose The purpose of this updated CIT is to transmit Version 3 of the Release Notes for CalHEERS Release 15.3 (deployed on 03/01/2015) to CalHEERS internal users. Both a “clean” and a “track changes” version are provided in order to call out the differences from Version 2.</p> <p>Background CalHEERS Release Notes are distributed to the impacted CalHEERS users with each system release. CalHEERS releases contain defect fixes and/or new functionality, and the Release Notes provide information regarding fixes, new/modified functionality, and alternative procedures to use if a change cannot be implemented.</p> <p>Instructions SPOCs are requested to distribute the Release Notes to the appropriate CalHEERS users within your organization. Information to external users will be provided through a separate communication.</p> <p>If you have any questions regarding this CIT, please contact the primary or backup project contact.</p>
