

**CA Department of Health Care Services
Data Collection Reporting (DCR) System
MHSA Full Service Partnership Reporting
County Submission Status
January 3, 2026**

County	CA Department of Health Care Services Data Collection Reporting (DCR) System County Submission Issue Status as of 1/3/2026	Planned Submission Date
El Dorado	DHCS sent outreach to the county on 1/14/2026.	N/A
Kings	N/A	N/A
Marin	County has been experiencing significant technical issues uploading the data. Their quality management team is working on a workaround.	They expect to provide an update for us by the end of the month.
Mariposa	County has been working on this. They have fixed the file according to the updated specifications however it is not being accepted on the state site. All FSP information is captured, and they have it prepared for uploading once the state system will accept it. The status has not moved but they remain in the testing/validation phase with DHCS.	They are waiting for final approval to move forward with submission.
Riverside	County had an error while cleaning occurred and a staff member has been assigned to ensure submissions continue to occur timely.	N/A
Santa Cruz	County has reached out to support for help in overdue reporting on clients active in the portal, current clients in treatment and opened during the lapse in reporting, and clients open since July 2025. They have requested to connect with someone to discuss logistics and test file submission.	They are waiting for additional guidance before submitting.

As of January 3, 2026

Counties current with data submission: 53

Counties late with data: 6¹

¹ Per California Code of Regulations, Title 9, Section 3620.10, counties are required to submit Full-Service Partnership (FSP) Performance Outcome Data no later than 90 days after collection.
