SUBJECT: AVAILABILITY OF SPANISH LANGUAGE VERSION OF THE UPDATED SINGLE
STREAMLINED APPLICATION (REFERENCE: MEDI-CAL ELIGIBILITY
INFORMATION LETTER [I 25-24](#), [I 26-01](#))

The updated Single Streamlined Application (SSApp) is now available in Spanish on the Department of Health Care Services (DHCS) website for printing and mailing to local county offices. Counties and applicants can access the Spanish SSApp at:

<https://www.dhcs.ca.gov/Medi-Cal/Pages/apply.aspx>. DHCS continues to print the SSApp packet in English and Spanish. The updated SSApp packets are available for counties and community partners to order using the MC 0026 form.

The updated SSApp will be available in threshold languages and large print mail-in format on the DHCS website during 2026 - 2027. Counties may continue using existing English and Spanish SSApp packets in their inventory until reordering the updated SSApp, as well as use the threshold-language SSApp available on the DHCS website.

DHCS will provide future updates about the release of the SSApp in threshold languages when they are posted on the DHCS website. Refer to [MEDIL I 25-24](#) for details regarding changes in the updated SSApp.

If you have any questions or if we can provide further information, please send a policy clarification request to MCEDPolicy@dhcs.ca.gov.

Sincerely,
