Medi-Cal Eligibility Branch Information Letter No. 1-96-28

TO: All County Welfare Directors
All County Medi-Cal Program Specialists/Liaisons

**LIST OF SUPPLEMENTAL SECURITY INCOME/STATE SUPPLEMENTARY PAYMENT
(SSI/SSP) RECIPIENTS WHO WILL BE TERMINATED FROM SSI/SSP BECAUSE OF
DRUG ADDICTION AND/OR ALCOHOLISM (DA&A)**

Ref: All County Welfare Directors Letters (ACWDL) 96-23 and 96-30

The purpose of this letter is to inform counties that the Department will furnish each county with their own county list of SSI/SSP DA&A recipients as of June 1996.

As discussed in the above referenced ACWDLs, Public Law 104-121 prohibits Social Security and/or SSI/SSP disability cash benefits and Medicare and Medicaid coverage to those individuals who were determined to be disabled because of DA&A. Counties requested a list of SSI/SSP DA&A recipients who reside in their counties so that they can assist the recipients in filing for a Social Security Administration (SSA) appeal to have their cases redetermined under another impairment.

The first batch of SSA termination notices were mailed June 12, 1996. The second batch was mailed on June 14, 1996 and the third batch on June 21, 1996. All SSI/SSP DA&A recipients who received termination notices have no more than 15 days from the date of the notice in order to file an appeal in order to qualify for aid paid pending if the disability redetermination is not completed by December 31, 1996. Aid paid pending is only available to SSI/SSP recipients, not to Social Security disability recipients. Otherwise, these recipients have no more than 65 days to request an appeal. The recipients who received the first batch of notices will have until August 15, 1996 to file an appeal. SSA has informed us that the filing period will not be extended even if good cause were to be cited. Therefore, if a recipient who received a notice from the first batch does not file an appeal by August 15, 1996, his/her SSI/SSP case will be terminated and he/she will need to file a new SSI/SSP disability case after January 1, 1997 if there is a disabling condition other than DA&A.

Paper List

Each county identified as having any SSI/SSP DA&A recipients will be mailed a list of the recipients who will be terminated from SSI/SSP on December 31, 1996. The Department will

mail the list to the county Medi-Cal Policy Liaison in mid-July 1996. Enclosure 1 is a sample copy of a list. The identification of the county is at the center top of the list. The first column has the name of the recipient and his/her home address. The second column has the Social Security number and telephone number where the recipient can be reached. The third column has the date of birth of the recipient. The fourth column has the current payment status of the SSI/SSP case. The fifth column has the name and address of a representative payee.

Enclosure 2 is a list of SSI payment status codes and what each code indicates. The most common payment status code is CO1 which indicates that the recipient is in current SSI payment status. There are a few payment status codes which indicate that the recipient is not in current pay status. The following are examples of such codes: (1) N07 indicates that the recipient has a cessation of disability which could mean that a reexamination was recently done and the recipient was found to be no longer disabled; (2) N01 indicates that the recipient is not eligible due to excess income; (3) N02 indicates that the recipient is incarcerated; and (4) N10 indicates that the recipient is currently suspended for noncompliance with DA&A treatment program.

Electronic List

In addition to the paper list which will be mailed, counties can request the same information on a diskette in the format ASCII or a cartridge in the EDCDIC format. Counties who want a diskette or cartridge can request them by contacting Marie Taketa at (916) 657-1250, or FAX (916) 657-3224.

We are attempting to obtain a list of Title II SSA DA&A disability recipients in the near future and if this becomes a possibility we will also send counties a list of those recipients.

We hope that the information provided above will be helpful to the counties. This Medi-Cal Eligibility Branch Information Letter will not be followed by procedures. If you have any questions regarding this letter, please contact Marie Taketa of my staff at (916) 657-1250.

Sincerely,
