**NOTIFICATION TO SUBMIT INDIVIDUAL AND GROUP SPEECH THERAPY
TREATMENT SERVICES CLAIMS**

- On October 8, 2016, Department of Health Care Services (DHCS) notified LEAs that individual and group speech therapy treatment services claims were being denied due to a claims processing error, and DHCS instructed LEAs to hold off on submitting 92507 and 92508 claims until the claims issue was resolved.
- Although the claims issue is not yet resolved, **DHCS is now instructing LEAs to submit 92507 and 92508 claims** to avoid timeliness restrictions. Note that these claims will continue to be denied, and once the claims issue has been resolved by the fiscal intermediary, an Erroneous Payment Correction (EPC) will be generated to reprocess any erroneously denied claims, with no further action required by LEAs.
