**If this sub-
window
appears, click
“Yes”**

**Note: If you get any other type
of security window besides this
one, ask your IT Coordinator or
LAN administrator.**

The functions you can perform are shown on the menu bar. Click the folder icon to show the function under each heading

Click the function icon to begin performing that function

If you are using this system, you are administering a Medi-Cal program. This information is confidential!

Medi-Cal information is confidential!

- ⊘ Targeted Case Management is a Medi-Cal program.
- ⊘ By law, all Medi-Cal information is confidential.
- ⊘ You must sign a statement saying that you understand this and agree to keep this information confidential before you will be given access to the TCM System.
- ⊘ If you divulge any information that you view or print from the TCM System you may be subject to criminal and civil penalties.
- ⊘ Anything you print from this system must be kept confidential and must be shredded when you are finished using the information.
