

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: CALIFORNIA

**TARGETED CASE MANAGEMENT SERVICES
INDIVIDUALS WITH A COMMUNICABLE DISEASE**

Target Group (42 Code of Federal Regulations 441.18(a)(8)(i) and 441.18(a)(9)):

Medi-Cal eligible individuals infected with a communicable disease, including tuberculosis, HIV/AIDS etc.; or individuals who have been exposed to communicable diseases, until the risk of exposure has passed. Such individuals must also be:

- a) At high risk for medical compromise due to one of the following conditions:
 - i) Failure, or inability to take advantage of necessary health care services, or
 - ii) Noncompliance with their prescribed medical regime, or
 - iii) An inability to coordinate multiple medical, social and other services due to the existence of an unstable medical condition in need of stabilization, or
 - iv) An inability to understand medical directions because of comprehension barriers, or
 - v) A lack of community support system to assist in appropriate follow-up care at home, or
 - vi) Substance abuse, or
 - vii) A victim of abuse, neglect or violence; and
- b) In need of assistance in accessing necessary medical, social, educational, or other services, when comprehensive case management is not being provided elsewhere.

For those individuals in this target group, who may receive case management services under a waiver program, case management services shall not be duplicated, in accordance with Section 1915(g) of the Social Security Act. This target group excludes persons enrolled in a Home and Community-Based Services waiver program from receipt of Targeted Case Management (TCM) Services.

There shall be a county-wide system to ensure coordination among TCM providers of case management services provided to Medi-Cal beneficiaries who are eligible to receive case management services from two or more programs.

Areas of State in which services will be provided (§1915(g)(1) of the Act):

Entire State.

Only in the following geographic areas: Counties of Alameda, Contra Costa, Humboldt, Imperial, Lake, Los Angeles, Madera, Orange, Riverside, San Diego, Santa Clara, Solano, Sonoma, Stanislaus, Sutter, Ventura, City of Berkeley, and City of Long Beach.

Comparability of Services (§§1902(a)(10)(B) and 1915(g)(1))

Services are provided in accordance with Section 1902(a)(10)(B) of the Act.

Services are not comparable in amount, duration, and scope (§1915(g)(1)).

Definition of Services (42 CFR 440.169): Targeted Case Management services are defined as services furnished to assist individuals, eligible under the State Plan, in gaining access to needed medical, social, educational and other services. Targeted Case Management includes the following assistance:

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
State/Territory: CALIFORNIA

TARGETED CASE MANAGEMENT SERVICES
INDIVIDUALS WITH A COMMUNICABLE DISEASE

X Case management includes contacts with non-eligible individuals that are directly related to identifying the eligible individual's needs and care, for the purposes of helping the eligible individual access services; identifying needs and supports to assist the eligible individual in obtaining services; providing case managers with useful feedback, and alerting case managers to changes in the eligible individual's needs. (42 CFR 440.169(e))

Qualifications of providers (42 CFR 441.18(a)(8)(v) and 42 CFR 441.18(b))

TCM Provider Agency Qualifications:

- Establish a system to coordinate services for individuals who may be covered under another program which offers components of case management or coordination similar to TCM including, but not limited to, the coordination of services with Managed Care providers, California Children's Services, as well as State waiver programs (e.g. HIV/AIDS, etc.).
- Demonstrated programmatic and administrative experience in providing comprehensive case management services and the ability to increase their capability to provide their services to the target group; and
- Must be an agency employing staff with case management qualifications; and
- Establish referral systems and demonstrated linkages and referral ability with essential social and health service agencies; and
- Have a minimum of five years providing comprehensive case management services to the target group; and
- Administrative capacity to ensure quality of services in accordance with state and federal requirements; and
- Financial management capacity and system that provides documentation of services and costs in accordance with OMB A-87 principles; and
- Capacity to document and maintain individual case records in accordance with state and federal requirements; and
- Demonstrated ability to meet state and federal requirements for documentation, billing and audits; and
- Ability to evaluate the effectiveness, accessibility and quality of TCM services on a community-wide basis.

TCM Case Manager Qualifications: Case managers employed by the case management agency must meet the requirements for education and/or experience as defined below:

- A Registered Nurse, or a Public Health Nurse with a license in active status to practice as a registered nurse in California; individual shall have met the educational and clinical experience requirements as defined by the California Board of Registered Nursing, or
- An individual with at least a Bachelor's degree from an accredited college or university, who has completed an agency-approved case management training course, or
- An individual with at least an Associate of Arts degree from an accredited college, who has completed an agency-approved case management training course and has two years of experience performing case management duties in the health or human services field, or

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
State/Territory: CALIFORNIA

**TARGETED CASE MANAGEMENT SERVICES
INDIVIDUALS WITH A COMMUNICABLE DISEASE**

- An individual who has completed an agency-approved case management training course and has four years of experience performing case management duties in a health or human services field.

Freedom of choice (42 CFR 441.18(a)(1)):

The State assures that the provision of case management services will not restrict an individual's free choice of providers in violation of section 1902(a)(23) of the Act.

1. Eligible individuals will have free choice of any qualified Medicaid provider within the specified geographic area identified in this plan.
2. Eligible individuals will have free choice of any qualified Medicaid providers of other medical care under the plan.

Access to Services (42 CFR 441.18(a)(2) 42 CFR 441 18(a)(3), 42 CFR 441.18(a)(6)):

The State assures the following:

- Case management (including targeted case management) services will not be used to restrict an individual's access to other services under the plan.
- Individuals will not be compelled to receive case management services, condition receipt of case management (or targeted case management) services on the receipt of other Medicaid services, or condition receipt of other Medicaid services on receipt of case management (or targeted case management) services; and
- Providers of case management services do not exercise the agency's authority to authorize or deny the provision of other services under the plan.

Payment (42 CFR 441.18(a)(4)):

Payment for case management or targeted case management services under the plan does not duplicate payments made to public agencies or private entities under other program authorities for this same purpose.

Case Records (42 CFR 441.18(a)(7)):

Providers maintain case records that document for all individuals receiving case management as follows: (i) The name of the individual; (ii) The dates of the case management services; (iii) The name of the provider agency (if relevant) and the person providing the case management service; (iv) The nature, content, units of the case management services received and whether goals specified in the care plan have been achieved; (v) Whether the individual has declined services in the care plan; (vi) The need for, and occurrences of, coordination with other case managers; (vii) A timeline for obtaining needed services; (viii) A timeline for reevaluation of the plan.

Limitations:

Case management does not include, and Federal Financial Participation (FFP) is not available in expenditures for, services defined in § 440.169 when the case management activities are an integral and inseparable component of another covered Medicaid service (State Medicaid Manual (SMM) 4302.F).

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
State/Territory: CALIFORNIA

**TARGETED CASE MANAGEMENT SERVICES
INDIVIDUALS WITH A COMMUNICABLE DISEASE**

Case management does not include, and FFP is not available in expenditures for, services defined in § 440.169 when the case management activities constitute the direct delivery of underlying medical, educational, social, or other services to which an eligible individual has been referred, including for foster care programs, services such as, but not limited to, the following: research gathering and completion of documentation required by the foster care program assessing adoption placements; recruiting or interviewing potential foster care parents; serving legal papers; home investigations; providing transportation; administering foster care subsidies; making placement arrangements. (42 CFR 441.18(c))

FFP only is available for case management services or targeted case management services if there are no other third parties liable to pay for such services, including as reimbursement under a medical, social, educational, or other program except for case management that is included in an individualized education program or individualized family service plan consistent with §1903(c) of the Act. (§§1902(a)(25) and 1905(c))

Limitations on translation: Arranging for translation activities and/or providing translation as part of the TCM service, including the costs of purchasing translation services from a vendor to enable communication between the client and case manager, is included in the TCM rate. When a case manager provides translation that is unrelated to providing the TCM service, the translation is not claimable as TCM.

Case Management Services Do Not Include:

- Program activities of the agency itself that do not meet the definition of TCM,
- Administrative activities necessary for the operation of the agency providing case management services rather than the overhead costs directly attributable to targeted case management,
- Diagnostic and/or treatment services,
- Restricting or limiting access to services, such as through prior authorization,
- Activities that are an essential part of Medicaid administration, such as outreach, intake processing, eligibility determination, or claims processing,
- Services that are an integral part of another service already reimbursed by Medicaid,
- Case management activities do not include activities that are the direct delivery of another service such as, but not limited to, communicable disease prevention, epidemiologic services, public health laboratory identification, immunizations, follow up care for sexually transmitted disease and tuberculosis control, and may not be claimed as TCM.
