Exhibit B A1
Budget Detail and Payment Provisions

Part I – General Fiscal Provisions

Section 1 – General Fiscal Provisions

A. Fiscal Provisions

For services satisfactorily rendered, and upon receipt and approval of documentation as identified in Exhibit A, Attachment I, Article III, the Department of Health Care Services (DHCS) agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates and/or allowable costs specified herein.

B. Use of State General Funds

Contractor may not use allocated Drug Medi-Cal (DMC) State General Funds to pay for any non-Drug Medi-Cal services.

C. Funding Authorization

Contractor shall bear the financial risk in providing any substance use disorder (SUD) services covered by this Agreement.

D. Availability of Funds

It is understood that, for the mutual benefit of both parties, this Intergovernmental Agreement may have been written before ascertaining the availability of congressional appropriation of funds in order to avoid program and fiscal delays that would occur if this Agreement were not executed until after that determination. In this event, DHCS may amend the amount of funding provided for in this Agreement based on the actual congressional appropriation.

E. Subcontractor Funding Limitations

Contractor shall reimburse its subcontractors that receive a combination of Drug Medi-Cal Organized Delivery System (DMC-ODS) funding and other federal or county realignment funding for the same service element and location based on the subcontractor's actual costs in accordance with Medicaid reimbursement requirements as specified in Title XIX or of the Social Security Act, DMC-ODS Special Terms and Conditions (STCs), and STCs' Attachments. Payments at interim rates shall be settled to lower of actual cost or customary charge at year-end.

F. Budget Contingency Clause

It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, DHCS shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.

If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS shall solely have the option to either cancel this Agreement with no liability

**Exhibit B A1
Budget Detail and Payment Provisions**

occurring to DHCS, or offer an amended agreement to Contractor to reflect the reduced amount.

G. Expense Allowability/Fiscal Documentation

1. Invoices, received from a Contractor and accepted and/or submitted for payment by DHCS, shall not be deemed evidence of allowable agreement costs.
2. Contractor shall maintain for review and audit and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this Agreement to permit a determination of expense allowability.
3. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles, and generally accepted governmental audit standards, all questionable costs may be disallowed and payment may be withheld by DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.
4. Costs and/or expenses deemed unallowable shall not be reimbursed or, if mistakenly reimbursed, those costs and/or expenses shall be subject to recovery by DHCS pursuant to Article III.DD of Exhibit A, Attachment I, the DMC-ODS STCs, and the STCs' Attachments.

Section 2 – General Fiscal Provisions – DMC-ODS

A. Return of Unexpended Funds

Contractor assumes the total cost of providing covered services on the basis of the payments delineated in this Exhibit B, Part II. Any State General Funds or Federal Medicaid funds paid to the Contractor, but not expended for DMC-ODS services shall be returned to DHCS.

B. Amendment or Cancellation Due to Insufficient Appropriation

This Agreement is valid and enforceable only if sufficient funds are made available to DHCS by the United States Government for the purpose of the DMC-ODS program. It is mutually agreed that if the Congress does not appropriate sufficient funds for this program, DHCS solely has the option to void this Agreement or to amend the Agreement to reflect any reduction of funds.

C. Exemptions

Exemptions to the provisions of Item B above, of this Exhibit, may be granted by the California Department of Finance provided that the Director of DHCS certifies in writing that federal funds are available for the term of the Agreement.

D. Allowable costs

Allowable costs, as defined and in accordance with the DMC-ODS STCs and the STCs' Attachments, shall be determined in accordance with Title 42, Code of Federal Regulations (CFR), Chapter IV, Subchapter B, Parts 405 and 413, and Centers for Medicare and Medicaid

Part II – Reimbursements

Section 1. General Reimbursement

A. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

B. Amounts Payable

1. The amount payable under this Agreement shall not exceed the amount identified on the State of California Standard Agreement form STD 213_DHCS.
2. Reimbursement shall be made for allowable expenses up to the amount annually encumbered commensurate with the state fiscal year in which services are performed and/or goods are received.
3. The funds identified for the fiscal years covered by under this Section, within this Exhibit, are subject to change depending on the availability and amount of funds appropriated by the Legislature and the Federal Government. The amount of funds available for expenditure by the Contractor shall be limited to the amount identified in the final allocations issued by DHCS for that fiscal year. Changes to allocated funds will require written amendment to the Agreement.
4. For each fiscal year, DHCS may settle costs for services to the Contractor and its subcontractors based on each fiscal year-end cost settlement report as the final amendment for the specific fiscal year cost settlement report to the approved Agreement.

Section 2. DMC-ODS

- A. To the extent that the Contractor provides the covered services in a satisfactory manner, in accordance with the terms and conditions of this Agreement, DHCS agrees to pay the Contractor Federal Medicaid funds according to Article III of Exhibit A, Attachment I. Subject to the availability of such funds, Contractor shall receive Federal Medicaid funds and/or State General Funds for allowable expenditures as established by the Federal Government and approved by DHCS, for the cost of services rendered to beneficiaries.
- B. Any payment for covered services rendered pursuant to Exhibit A, Attachment I shall only be made pursuant to applicable provisions of Title XIX or Title XXI of the Social Security Act, the Welfare and Institutions (W&I) Code, the Health and Safety Code (HSC), the DMC-ODS STCs, and the STCs' Attachments.
- C. It is understood and agreed that failure by the Contractor or its subcontractors to comply with applicable federal and state requirements in rendering covered services shall be sufficient cause for DHCS to deny payments, to recover payments, and/or terminate the Contractor or its subcontractor from DMC-ODS program participation. If DHCS or the Department of Health and Human Services (DHHS) disallows or denies payments for any claim, Contractor shall repay to DHCS the Federal Medicaid funds and/or State General Funds it received for all claims so disallowed or denied. The overpayment shall be recovered by any of the methods allowed in

Exhibit B A1
Budget Detail and Payment Provisions

Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code and DMC-ODS STC 143(h)(vi).

- D. Before a denial, recoupment, or disallowances are made, DHCS shall provide the Contractor with written notice of its proposed action. Such notice shall include the reason for the proposed action and shall allow the Contractor 60 days to submit additional information before the proposed action is taken. This requirement does not apply to the DMC-ODS Post Service Post Payment Utilization Reviews.
- E. DHCS shall refund to the Contractor any recovered Federal DMC-ODS overpayment that is subsequently determined to have been erroneously collected, together with interest, in accordance with Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code.
- F. Contractor shall be reimbursed by DHCS on the basis of its actual net reimbursable cost, not to exceed the unit of service maximum rate.
- G. Claims submitted to the Contractor by a subcontracted provider that is not certified or whose certification has been suspended pursuant to the W&I Code section 14107.11 and 42 CFR 455.23, shall not be certified or processed for federal or state reimbursement by the Contractor. Payments for any DMC-ODS services shall be held by the Contractor until the payment suspension is resolved.
- H. In the event an Agreement amendment is required pursuant to the preceding paragraph, Contractor shall submit to DHCS information as identified in Exhibit E, Section 1(D). To the extent the Contractor is notified of DHCS Budget Act allocation prior to the execution of the Agreement, DHCS and the Contractor may agree to amend the agreement after the issuance of the first revised allocation.
- I. Reimbursement for covered services, other than Narcotic Treatment Program (NTP) services, shall be limited to the lower of:
 - 1. The provider's usual and customary charges to the general public for the same or similar services.
 - 2. The provider's actual allowable costs.
- J. Reimbursement to NTP shall be limited to the lower of either the Uniform Statewide Daily Reimbursement (USDR) rate, pursuant to W&I Code Section 14021.51(h), or the provider's usual and customary charge to the general public for the same or similar service. However, reimbursement paid by a county to an NTP provider for services provided to any person subject to Penal Code Sections 1210.1 or 3063.1 and for which the individual client is not liable to pay, does not constitute a usual or customary charge to the general public for the purpose of this section (W&I Code Section 14021.51(h)(2)(A)).
- K. DHCS shall reimburse the Contractor the State General Funds and/or Federal Medicaid fund amount of the approved DMC-ODS claims and documents submitted in accordance with Article III of Exhibit A, Attachment I.

Exhibit B A1
Budget Detail and Payment Provisions

- L. DHCS will adjust subsequent reimbursements to the Contractor to actual allowable costs. Actual allowable costs are defined in the Medicare Provider Reimbursement Manual (CMS-Pub.15), which can be obtained from the Centers for Medicare & Medicaid Services, Baltimore, Maryland, or www.cms.hhs.gov.
- M. Contractors and subcontractors must accept, as payment in full, the amounts paid by DHCS in accordance with the DMC-ODS STCs and the STCs' Attachments. Contractors and subcontractors may not demand any additional payment from DHCS, client, or other third party payers.
- N. Contractor shall require all subcontractors to comply with 45 CFR 162.410(a)(1) for any subpart that would be a covered health care provider if it were a separate legal entity. For purposes of this paragraph, a covered health care provider shall have the same definition as set forth in 45 CFR 160.103. DHCS shall make payments for covered services only if Contractor is in compliance with federal regulations.

Part III - Financial Audit Requirements

Exhibit B A1
Budget Detail and Payment Provisions

Section 1. General Fiscal Audit Requirements

- A. In addition to the requirements identified below, the Contractor and its subcontractors are required to meet the audit requirements as delineated in Exhibit C, General Terms and Conditions, and Exhibit D(F), Special Terms and Conditions, of this Agreement.
- B. All expenditures of county realignment funds, state and federal funds furnished to the Contractor and its subcontractors pursuant to this Agreement are subject to audit by DHCS. Objectives of such audits may include, but not limited to, the following:
 - 1. To determine whether units of service claimed/reported are properly documented by service records and accurately accumulated for claiming/reporting.
 - 2. To validate data reported by the Contractor for prospective agreement negotiations.
 - 3. To provide technical assistance in addressing current year activities and providing recommendation on internal controls, accounting procedures, financial records, and compliance with laws and regulations.
 - 4. To determine the cost of services, net of related patient and participant fees, third-party payments, and other related revenues and funds.
 - 5. To determine that expenditures are made in accordance with applicable state and federal laws and regulations and Agreement requirements.
 - 6. To determine the facts in relation to analysis of data, complaints, or allegations, which may be indicative of fraud, abuse, willful misrepresentation, or failure to achieve the Agreement objectives of Exhibit C and D(F).
- C. Unannounced visits may be made at the discretion of the DHCS to the Contractor and/or its subcontractors.
- D. The refusal of the Contractor or its subcontractors to permit access to, and inspection of, electronic or print books and records, physical facilities, and/or refusal to permit interviews with employees, as described in this part, constitutes an express and immediate material breach of this Agreement and will be sufficient basis to terminate the Agreement for cause or default.
- E. Reports of audits conducted by DHCS shall reflect all findings, recommendations, adjustments, and corrective action as a result of its finding in any areas.

Section 2. DMC-ODS Financial Audits

- A. In addition to the audit requirements set forth in Exhibit D(F), DHCS may also conduct financial audits of DMC-ODS programs, exclusive of NTP services, to accomplish any of, but not limited to, the following audit objectives:

Exhibit B A1
Budget Detail and Payment Provisions

2. To ensure that only the cost of allowable DMC-ODS activities are included in reported costs.
 3. To determine the provider's usual and customary charge to the general public in accordance with CMS (The Medicare Provider Reimbursement Manual) (CMS-Pub.15), which can be obtained from the Centers for Medicare & Medicaid Services, Baltimore, Maryland, or www.cms.hhs.gov, for comparison to the DMC-ODS cost per unit.

 6. To compute final settlement based on the lower of actual allowable cost or the usual and customary charge, in accordance with the DMC-ODS STCs and the STCs' Attachments.
- B. In addition to the audit requirements set forth in Exhibit D(F), DHCS may conduct financial audits of NTP programs. For NTP services, the audits will address items A(3) through A(5) above, except that the comparison of the provider's usual and customary charge in A(3) will be to the DMC USDR rate in lieu of DMC-ODS cost per unit. In addition, these audits will include, but not be limited to:
1. For those NTP providers required to submit a cost report pursuant to W&I Code Section 14124.24, a review of cost allocation methodology between NTP and other service modalities, and between DMC-ODS and other funding sources.
 2. A review of actual costs incurred for comparison to services claimed.
 3. A review of counseling claims to ensure that the appropriate group or individual counseling rate has been used and that counseling sessions have been billed appropriately.
 4. A review of the number of clients in group sessions to ensure that sessions include no less than two and no more than twelve clients at the same time, with at least one Medi-Cal client in attendance.
 5. Computation of final settlement based on the lower of USDR or the provider's usual and customary charge to the general public.
 6. A review of supporting service, time, financial, and patient records to verify the validity of counseling claims.
- C. Contractor shall be responsible for any disallowances taken by the Federal Government, DHCS, or the Bureau of State Audits as a result of any audit exception that is related to its responsibilities. Contractor shall not use funds administered by DHCS to repay one federal funding source with funds provided by another federal funding source, or to repay federal funds with state funds, or to repay state funds with federal funds.
- D. Contractor agrees to promptly develop and implement any corrective action plans in a manner acceptable to DHCS in order to comply with recommendations contained in any audit report.

Exhibit B A1
Budget Detail and Payment Provisions

- E. Contractor, in coordination with DHCS, shall provide follow-up on all significant findings in the audit report, including findings relating to a subcontractor, and submit the results to DHCS.

If differences cannot be resolved between DHCS and the Contractor regarding the terms of the final financial audit settlements for funds expended under Exhibit B, Contractor may request an appeal in accordance with the appeal process described in the Exhibit A, Attachment I and Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code. Contractor shall include a provision in its subcontracts regarding the process by which a subcontractor may file an audit appeal via the Contractor.

- F. Providers of DMC-ODS services shall, upon request, make available to DHCS their fiscal and other records to assure that such providers have adequate recordkeeping capability and to assure that reimbursement for covered DMC-ODS services are made in accordance with Exhibit A, Attachment I, the DMC-ODS STCs, and the STCs' Attachments. In the event of a dispute under Exhibit A, Attachment I, Article III other than an audit dispute, Contractor shall provide written notice of the particulars of the dispute to DHCS before exercising any other available remedy. Written notice shall include the Agreement number. The Director (or designee) of DHCS and the County Drug or Alcohol Program Administrator (or designee) shall meet to discuss the means by which they can effect an equitable resolution to the dispute. 2. As stated in Part III, Section 2, of this Exhibit, in the event of a dispute over financial audit findings between DHCS and the Contractor, Contractor may appeal the audit in accordance with Exhibit A, Attachment I and Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code. Contractor shall include a provision in its subcontracts regarding the process by which a subcontractor may file an audit appeal via the Contractor.
3. Contractors that conduct financial audits of subcontractors, other than a subcontractor whose funding consists entirely of non-Department funds, shall develop a process to resolve disputed financial findings and notify subcontractors of their appeal rights pursuant to that process. This section shall not apply to those grievances or compliances arising from the financial findings of an audit or examination made by or on behalf of DHCS pursuant to Part III of this Exhibit.
4. To ensure that necessary corrective actions are taken, financial audit findings are either uncontested or upheld after appeal may be used by DHCS during prospective agreement negotiations.

Additional Provisions**

1. Amendment Process

- A. Both the Contractor and the State may agree to amend or renegotiate the Intergovernmental Agreement.
- B. Should either party, during the term of this Intergovernmental Agreement, desire a change or amendment to the terms of this Intergovernmental Agreement, such changes or amendments shall be proposed in writing to the other party, who will respond in writing as to whether the proposed changes/amendments are accepted or rejected. If accepted and after negotiations are concluded, the agreed upon changes shall be made through the State's official agreement amendment process. No amendment will be considered binding on either party until it is formally approved by the both parties and the Department of General Services (DGS), if DGS approval is required.
- C. Intergovernmental Agreement amendments will be required to change encumbered amounts for each year of a multi-year contract period, of which the first amendment will be based on the Governor's Budget Act allocation of that specific fiscal year. The signed Intergovernmental Agreement from the Contractor will be due to the Department of Health Care Services (DHCS) within 90 days from the issuance to the County. If the signed Intergovernmental Agreement from the Contractor is not received within 90 days from the issuance to the County, DHCS may withhold all non-DMC payments under Exhibit B of this Intergovernmental Agreement until the required amendment is received by the State.
- D. Intergovernmental Agreement amendments may be requested by the Contractor until May 1 of each of the contract's fiscal years. An amendment proposed by either the Contractor or the State shall be forwarded in writing to the other party.
 - 1) The proposed amendment submitted by Contractor shall include the proposed changes, and a statement of the reason and basis for the proposed change.
 - 2) Amendments shall be duly approved by the County Board of Supervisors or its authorized designee, and signed by a duly authorized representative.
- E. Contractor acknowledges that any newly allocated funds that are in excess of the initial amount for each fiscal year may be forfeited if DHCS does not receive a fully executable Intergovernmental Agreement amendment on or before June 30th.
- ~~F. State may settle costs for substance use disorder services based on the year-end cost settlement report as the final amendment to the approved Intergovernmental Agreement.~~

2. Cancellation / Termination

- A. This Intergovernmental Agreement may be cancelled by DHCS without cause upon 30 calendar days advance written notice to the Contractor.
- B. DHCS reserves the right to cancel or terminate this Intergovernmental Agreement immediately for cause. The Contractor may submit a written request to terminate this Intergovernmental Agreement only if DHCS substantially fails to perform its responsibilities as provided herein.

**Exhibit E A1
Additional Provisions**

- C. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of this Intergovernmental Agreement.
- D. Intergovernmental Agreement termination or cancellation shall be effective as of the date indicated in DHCS’ notification to the Contractor. The notice shall stipulate any final performance, invoicing or payment requirements.
- E. Upon receipt of a notice of termination or cancellation, the Contractor shall take immediate steps to stop performance and to cancel or reduce subsequent agreement costs.
- F. In the event of early termination or cancellation, the Contractor shall be entitled to payment for all allowable costs authorized under this Intergovernmental Agreement and incurred up to the date of termination or cancellation, including authorized non-cancelable obligations, provided such expenses do not exceed the stated maximum amounts payable.
- G. In the event of changes in law that affect provisions of this Intergovernmental Agreement, the parties agree to amend the affected provisions to conform to the changes in law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Intergovernmental Agreement are severable and in the event that changes in law render provisions of the Intergovernmental Agreement void, the unaffected provisions and obligations of this Intergovernmental Agreement will remain in full force and effect.
- H. The following additional provisions regarding termination apply only to Exhibit A, Attachment I, of this Intergovernmental Agreement:
 - 1) In the event the federal Department of Health and Human Services (hereinafter referred to as DHHS), or State determines Contractor does not meet the requirements for participation in the DMC-ODS Waiver Program, State will terminate payments for services provided pursuant to Exhibit A, Attachment I, of this Intergovernmental Agreement for cause.
 - 2) All obligations to provide covered services under this Intergovernmental Agreement will automatically terminate on the effective date of any termination of this Intergovernmental Agreement. Contractor will be responsible for providing or arranging for covered services to beneficiaries until the effective date of termination or expiration of the Intergovernmental Agreement.

Contractor will remain liable for processing and paying invoices and statements for covered services and utilization review requirements prior to the expiration or termination until all obligations have been met.
 - 3) In the event Exhibit A, Attachment I, of this Intergovernmental Agreement is nullified, Contractor shall refer DMC clients to providers who are certified to provide State Plan services.
- I. In the event this Intergovernmental Agreement is terminated, Contractor shall deliver its entire fiscal and program records pertaining to the performance of this Intergovernmental Agreement to the State, which will retain the records for the required retention period.

 - 2) An instance where the Contractor's or any subcontractor's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.
- C. If DHCS is or becomes aware of a known or suspected conflict of interest, the Contractor will be given an opportunity to submit additional information or to resolve the conflict. A Contractor with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by DHCS to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by DHCS and cannot be resolved to the satisfaction of DHCS, the conflict will be grounds for terminating the Agreement. DHCS may, at its discretion upon receipt of a written request from the Contractor, authorize an extension of the timeline indicated herein.
- D. Contractor acknowledges that state laws on conflict of interest, found in the Political Reform Act, Public Contract Code Section 10365.5, and Government Code Section 1090, apply to this Intergovernmental Agreement.

consider the nature and seriousness of the violation in deciding whether or not to terminate the Agreement.

- 5) **Assistance in Litigation or Administrative Proceedings.** Contractor shall make itself and any subcontractors, employees, or agents assisting Contractor in the performance of its obligations under this Agreement, available to the Department at no cost to the Department to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against the Department, its directors, officers or employees based upon claimed violation of HIPAA, or the HIPAA regulations, which involves inactions or actions by the Contractor, except where Contractor or its subcontractor, employee or agent is a named adverse party.
- 6) **No Third-Party Beneficiaries.** Nothing expressed or implied in the terms and conditions of this Exhibit F is intended to confer, nor shall anything herein confer, upon any person other than the Department or Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.
- 7) **Interpretation.** The terms and conditions in this Exhibit F shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, and the HIPAA regulations. The parties agree that any ambiguity in the terms and conditions of this Exhibit F shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act and the HIPAA regulations, and, if applicable, any other relevant state and Federal laws.
- 8) **Conflict.** In case of a conflict between any applicable privacy or security rules, laws, regulations or standards the most stringent shall apply. The most stringent means that safeguard which provides the highest level of protection to PHI, PI and PII from unauthorized disclosure. Further, Contractor must comply within a reasonable period of time with changes to these standards that occur after the effective date of this Agreement.
- 9) **Regulatory References.** A reference in the terms and conditions of this Exhibit F to a section in the HIPAA regulations means the section as in effect or as amended.
- 10) **Survival.** The respective rights and obligations of Contractor under Section 3, Item D of Exhibit F-1, and Section 3, Item B of Exhibit F-2, Responsibilities of Contractor, shall survive the termination or expiration of this Agreement.

- 12) **Audits, Inspection and Enforcement.** From time to time, and subject to all applicable Federal and state privacy and security laws and regulations, the Department may conduct a reasonable inspection of the facilities, systems, books and records of Contractor to monitor compliance with this Exhibit F. Contractor shall promptly remedy any violation of any provision of this Exhibit F. The fact that the Department inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibility to comply with this Exhibit F. The Department's failure to detect a non-compliant practice, or a failure to report a detected non-compliant practice to Contractor does not constitute acceptance of such practice or a waiver of the Department's enforcement rights under this Agreement, including this Exhibit F.
- 13) **Due Diligence.** Contractor shall exercise due diligence and shall take reasonable steps to ensure that it remains in compliance with this Exhibit F and is in compliance with applicable provisions of HIPAA, the HITECH Act and the HIPAA regulations, and other applicable state and Federal law, and that its agents, subcontractors and vendors are in compliance with their obligations as required by this Exhibit F.
- 14) **Term.** The Term of this Exhibit F-1 shall extend beyond the termination of the Agreement and shall terminate when all Department PHI is destroyed or returned to the Department, in accordance with 45 CFR Section 164.504(e)(2)(ii)(I), and when all Department PI and PII is destroyed in accordance with Attachment A.
- 14) **Effect of Termination.** Upon termination or expiration of this Agreement for any reason, Contractor shall return or destroy all Department PHI, PI and PII that Contractor still maintains in any form, and shall retain no copies of such PHI, PI or PII. If return or destruction is not feasible, Contractor shall notify the Department of the conditions that make the return or destruction infeasible, and the Department and Contractor shall determine the terms and conditions under which Contractor may retain the PHI, PI or PII. Contractor shall continue to extend the protections of this Exhibit F to such Department PHI, PI and PII, and shall limit further use of such data to those purposes that make the return or destruction of such data infeasible. This provision shall apply to Department PHI, PI and PII that is in the possession of subcontractors or agents of Contractor.

The Contractor shall retain each person's written confidentiality statement for DHCS inspection for a period of six (6) years following contract termination.

D. *Background Check.* Before a member of the workforce may access DHCS PHI or PI, a thorough background check of that worker must be conducted, with evaluation of the results to assure that there is no indication that the worker may present a risk to the security or integrity of confidential data or a risk for theft or misuse of confidential data. The Contractor shall retain each workforce member's background check documentation for a period of three (3) years following contract termination.

II. Technical Security Controls

A. *Workstation/Laptop encryption.* All workstations and laptops that process and/or store DHCS PHI or PI must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk unless approved by the DHCS Information Security Office.

B. *Server Security.* Servers containing unencrypted DHCS PHI or PI must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.

C. *Minimum Necessary.* Only the minimum necessary amount of DHCS PHI or PI required to perform necessary business functions may be copied, downloaded, or exported.

Exhibit F A1
Privacy and Information Security Provisions

D. *Removable media devices.* All electronic files that contain DHCS PHI or PI data must be encrypted when stored on any removable media or portable device (i.e. USB thumb drives, floppies, CD/DVD, smartphones, backup tapes etc.). Encryption must be a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES.

E. *Antivirus software.* All workstations, laptops and other systems that process and/or store DHCS PHI or PI must install and actively use comprehensive anti-virus software solution with automatic updates scheduled at least daily.

F. *Patch Management.* All workstations, laptops and other systems that process and/or store DHCS PHI or PI must have critical security patches applied, with system reboot if necessary. There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within 30 days of vendor release.

G. *User IDs and Password Controls.* All users must be issued a unique user name for accessing DHCS PHI or PI. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee with knowledge of the password, at maximum within 24 hours. Passwords are not to be shared. Passwords must be at least eight characters and must be a non-dictionary word. Passwords must not be stored in readable format on the computer. Passwords must be changed every 90 days, preferably every 60 days. Passwords must be changed if revealed or compromised. authorized users. If DHCS PHI or PI is stored in a database, database logging functionality must be enabled. Audit trail data must be archived for at least 3 years after occurrence.

L. Access Controls. The system providing access to DHCS PHI or PI must use role based access controls for all user authentications, enforcing the principle of least privilege.

M. Transmission encryption. All data transmissions of DHCS PHI or PI outside the secure internal network must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES. Encryption can be end to end at the network level, or the data files containing PHI can be encrypted. This requirement pertains to any type of PHI or PI in motion such as website access, file transfer, and E-Mail.

N. Intrusion Detection. All systems involved in accessing, holding, transporting, and protecting DHCS PHI or PI that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution.

B. Data Backup Plan. Contractor must have established documented procedures to backup DHCS PHI to maintain retrievable exact copies of DHCS PHI or PI. The plan must include a regular schedule for making backups, storing backups offsite, an inventory of backup media, and an estimate of the amount of time needed to restore DHCS PHI or PI should it be lost. At a minimum, the schedule must be a weekly full backup and monthly offsite storage of DHCS data.

Exhibit F A1

9. Federal Contract Funds

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHCS to any work product made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement.

If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

If such a license upon the these terms is unattainable, and DHCS determines that the Intellectual Property should be included in or is required for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to DHCS.

f. Warranties

(1) Contractor represents and warrants that:

- (a) It is free to enter into and fully perform this Agreement.
- (b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
- (c) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
- (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
- (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHCS in this Agreement.
- (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.

(2) DHCS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

(1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened

litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.

- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.

The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
- (2) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement,*** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
- (3) ***If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends \$500,000 or more in Federal awards,*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above.  - g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
 - h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
 - i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
 - j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.

The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHCS or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

28. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the Agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

31. Suspension or Stop Work Notification

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
 - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.
 - (2) Within 90 days of the issuance of a suspension or stop work notification, DHCS shall either:
 - (a) Cancel, extend, or modify the suspension or stop work notification; or

- (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.
- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
- d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
- e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
- f. DHCS shall not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.
