

Dual Eligibles Technical Workgroup
OUTLINE OF MEETINGS

First Session - April 27, 2010

1. Overview of Dual Eligibles data
2. Technical Work Group – describe essential elements for an organized system of care for Dual Eligibles that integrates care and financing
3. DHCS – the State view of how the four model options can be used to integrate care for dual-eligible beneficiaries

Second Session - May 19, 2010

1. Review examples of successful models of organized systems of care that provide accessible Home and Community-Based Services when and where people need them – including integrated financing models
2. Technical Work Group – describe essential elements of an organized system of care that can provide accessible Home and Community-Based Services for high-need beneficiaries – including integrated financing models

June 3, 2010

1. Review and evaluate model feasibility, including:
 - a. Special Needs Plan (SNP) expansion
 - b. Program for All Inclusive Care for the Elderly (PACE) expansion
 - c. Fee-for-Service Enhanced Primary Care Case Management/Administrative Service Organization model implementation
 - d. State as Integrated Entity (SIE)
