The per diem rate by accommodation code shall equal the weighted average rate negotiated for all Fee-for-Service/Medi-Cal hospitals within the five Rate Regions. If there are no hospitals with negotiated rates within the Rate Region, the weighted average negotiated rate for all Fee-for-Service/Medi-Cal hospitals statewide are used.

The per diem rates include routine and all hospital-based ancillary services but exclude professional services. Enclosed is the table displaying the regional average noncontract rates for FY 2023-24.
