

NOTICE OF GENERAL PUBLIC INTEREST

RELEASE DATE: August 25, 2025

PROPOSED STATE PLAN AMENDMENT TO EXTEND THE PUBLIC PROVIDER GROUND EMERGENCY MEDICAL TRANSPORT INTERGOVERNMENTAL TRANSFER PROGRAM

This notice is to provide information of public interest about a proposed State Plan Amendment (SPA) by the Department of Health Care Services (DHCS). SPA 25-0030 proposes to continue the Public Provider Ground Emergency Medical Transport Intergovernmental Transfer (PP-GEMT IGT) Program in calendar year (CY) 2026 to continue providing an add-on increase for eligible Ground Emergency Medical Transport (GEMT) services for dates of service January 1, 2026, to December 31, 2026.

California Welfare and Institutions Code (WIC) section 14105.945, enacted by Assembly Bill (AB) 1705 (Chapter 544, Statutes of 2019), authorizes DHCS to implement the PP-GEMT IGT Program for public providers of GEMT services. Providers are eligible to participate in the program if they meet all of the following criteria: (1) provide GEMT services to Medi-Cal beneficiaries, (2) are enrolled as a Medi-Cal provider for the period being claimed, and (3) are owned or operated by the state, a city, county, city and county, fire protection, special, community services, or health care district, or a federally recognized Indian tribe. The add-on increase will be in addition to the fee-for-service fee schedule rates for GEMT services billed using the procedure codes listed below.

Pursuant to SPA 22-0015, the Department was authorized to provide an add-on through the PP-GEMT IGT Program for dates of service January 1, 2023, through December 31, 2023. SPA 22-0015 established an initial add-on rate of \$946.92 for each qualifying transport for CY 2023 pursuant to the requirements of WIC section 14105.945(d)(1) and (2). Pursuant to WIC section 14105.945(d)(3), for subsequent rating periods, DHCS is authorized to periodically adjust the initial add-on rate to account for inflation, trend adjustments, or other material changes. DHCS received Centers for Medicare and Medicaid Services (CMS) approval for SPA [24-0002](#) on January 13, 2025. SPA 24-0002 increased the CY 2023 add-on to \$1,049.98 for CY 2024. In SPA 25-0002, which is pending CMS approval, DHCS proposes to adjust the initial add-on rate for CY 2025

pursuant to Section 14105.945(d)(3). Through SPA 25-0030, DHCS proposes to adjust the initial PP-GEMT IGT Program add-on for CY 2026 pursuant to Section 14105.945(d)(3). Effective January 1, 2026, through December 31, 2026, eligible public providers may receive an add-on increase for the following procedure codes:

Procedure Code	Description	Estimated Medi-Cal PP-GEMT IGT Add-on Amount
A0429	Basic Life Support	\$1,518.61
A0427	Advanced Life Support, Level 1	\$1,518.61
A0433	Advanced Life Support, Level 2	\$1,518.61
A0434	Specialty Care Transport	\$1,518.61
A0225	Neonatal Emergency Transport	\$1,518.61

Public providers are not eligible to participate in the GEMT Quality Assurance Fee (QAF) program for periods when the PP-GEMT IGT Program is in effect.

DHCS estimates that the annual aggregate Medi-Cal expenditures for GEMT services will increase by \$49 million in total funds for Calendar Year 2026.

The effective date of the proposed SPA is January 1, 2026. All proposed SPAs are subject to approval by the CMS.
