As a reminder, the LEA Medi-Cal Billing Option Program (BOP) will transition to the use of a Random Moment Time Survey (RMTS) as a component of the Medicaid reimbursement methodology. The implementation date of RMTS in the LEA BOP will be determined upon approval of State Plan Amendment (SPA) 15-021 with the Centers for Medicare & Medicaid Services (CMS). DHCS will update stakeholders as more information becomes available.

A RMTS page is posted under the *Program Information* heading of the LEA website, or directly link to [http://www.dhcs.ca.gov/provgovpart/Pages/LEA\\_RMTS.aspx](http://www.dhcs.ca.gov/provgovpart/Pages/LEA_RMTS.aspx).

- Provides updates on the design and development of a new RMTS for direct services provided through the LEA Medi-Cal Billing Option Program
- Provides link(s) to the RMTS Implementation Advisory Workgroup (IAG) Meeting Summaries
- Provides a tool for stakeholder feedback regarding RMTS implementation issues or questions
