

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
STATE: CALIFORNIA

SUPPLEMENTAL INCENTIVE PAYMENTS FOR TRAUMA SCREENINGS

This program provides supplemental incentive payments for trauma screenings provided to Medi-Cal beneficiaries. Refer to Limitations to Attachment 3.1-A, pages 2-2a (Hospital Outpatient department services), pages 2a-3b.1 (Rural Health Clinics), pages 3c-3e (Federally Qualified Health Centers), pages 9h-10a.1 (Physician's Services), page 11a (Psychology), page 12a (Certified Nurse Practitioner's Services), and page 24a (Certified Pediatric or Family Nurse Practitioner's Services) for more information.

The supplemental incentive payments for trauma screenings will be provided at a fixed rate for services rendered.

The supplemental incentive payment rate will be fixed at the amount in the chart below for services rendered for each eligible trauma screening billed with the appropriate Healthcare Common Procedure Coding System (HCPCS) code. These supplemental incentive payments will be in addition to the amounts paid for the office visit that accompanies the screening.

Providers of trauma screenings are only eligible to receive the supplemental incentive payment one time per beneficiary.

Reimbursement Methodology – General Provisions for services provided, effective January 1, 2022.

HCPCS Codes	Amount
G9919 – positive screening with patient score of 4 or greater	\$29.00
G9920 – negative screening with patient score of 0-3	\$29.00
