**Revenue Code Update: Starting January 1, 2019, LEAs participating in the LEA Medi-Cal Billing Option Program should use Revenue Code 0001 on submitted claims.**

- As stated in the [November 2018 Medi-Cal Bulletin 530](#): *For dates of service on or after January 1, 2019, a four-digit revenue code must be included on outpatient claims billed on paper UB-04 claim forms (Box 42) or ANSI 837I transactions for electronic billing (FL42; reference ASC X12N 837 v.5010 Loop 2400 Segment SV201).*
- Starting January 1, 2019, LEAs participating in the LEA Medi-Cal Billing Option Program are instructed to use Revenue Code 0001 on submitted claims.

This is a change from current policy, which instructs LEAs to use Revenue Code 001 on submitted claims. The LEA Provider Manual will be updated to reflect this change.
