**LEA BOP UPDATE**

*Please do not reply to this e-mail.*

To All Local Educational Agency Medi-Cal Billing Option Program (LEA BOP) Providers:

The LEA BOP is reaching out to inform you about the upcoming Erroneous Payment Correction (EPC) initiated by the Department of Health Care Services (DHCS) for claims associated with the Unsatisfactory Immigration Status (UIS) population, per Policy and Procedure Letter [21-015R](#). This EPC is specifically a recoupment, meaning that it involves the recovery of funds that were erroneously paid out in previous transactions.

**What you need to know**

- E-mail notifications will be sent exclusively to LEAs that owe **\$5,000** or more due to an error in payment. If your LEA does not meet this threshold, you will not receive an email notification at this time, but still may have a recoupment.
- The recoupment will cover that the time period of payments with a service date on or after July 16, 2021, through June 20, 2022. The EPC process will result in 100% recoupment of your LEA's future check writes until the total outstanding amount is fully recouped.
- These recoupments will appear on Remittance Advice Details (RAD) forms beginning July 13, 2023, with RAD code 0819: Void and resubmit of claims processed in error.

**Why this is important**

The purpose of the upcoming e-mail notification is to inform LEAs about the outstanding balance corrections being made and they will be reflected on upcoming check writes.
