## Local Educational Agency Medi-Cal Billing Option Program

**October 4, 2023**

### **LEA BOP REMINDER** *Please do not reply to this e-mail.*

To All Local Educational Agency Medi-Cal Billing Option Program (LEA BOP)  
Providers:

**Today, Wednesday, October 4, 2023**, all participating LEAs (*except colleges*) must extract a file containing the total LEA student enrollment number using their student information systems. California's State Plan requires participating LEA BOP Providers to identify total student enrollment on a snapshot date (the California Basic Educational Data System census day) and to calculate the Medi-Cal Eligibility Ratio (MER) using October Medi-Cal eligibility data each year.

#### **What you need to know**

- The extraction must include all required fields that are necessary to submit the information through the Medi-Cal secure file transfer protocol (MOVEit).
- The LEAs total student enrollment file will be used as the input file in the MOVEit process and will be the denominator in the MER calculation.
- The MOVEit output file will contain the information to determine the numerator in the MER calculation. For students to be included in the numerator, they must be eligible and enrolled in Medi-Cal in October 2023 **and** have an "FFP Qualified" indicator of "Y".
- The Department of Health Care Services (DHCS) has published the training slides on how to calculate the MER for State Fiscal Year 2023-2024 to the [webpage](#).
