

Chapter 11: Legal notices

[Plans should refer to other parts of the Member Handbook using the appropriate chapter number, section, and/or page number. For example, "refer to Chapter 9, Section A, page 1." An instruction [insert reference, as applicable] appears with many cross references throughout the Member Handbook. Plans may always include additional references to other sections, chapters, and/or member materials when helpful to the reader.]

Introduction

This chapter includes legal notices that apply to your membership in our plan. Key terms and their definitions appear in alphabetical order in the last chapter of your *Member Handbook*.

[Plans may include other legal notices, such as a notice of member non-liability or a notice about third-party liability, if they conform to Medicare and Medi-Cal laws and regulations.]

[Plans must update the Table of Contents to this document to accurately reflect where the information is found on each page after plan adds plan-customized information to this template.]

A. Notice about laws

Many laws apply to this *Member Handbook*. These laws may affect your rights and responsibilities even if the laws are not included or explained in the *Member Handbook*. The main laws that apply are federal and state laws about the Medicare and Medi-Cal programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

We don't discriminate or treat you differently because of your race, ethnicity, national origin, color, religion, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. In addition, we do not unlawfully discriminate, exclude people, or treat them differently because of ancestry, ethnic group identification, gender identity, marital status, or medical condition.

If you want more information or have concerns about discrimination or unfair treatment:

C. Notice about Medicare as a second payer and Medi-Cal as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that Medi-Cal is the payer of last resort.

D. Notice about Medi-Cal estate recovery

The Medi-Cal program must seek repayment from probated estates of certain deceased members for Medi-Cal benefits received on or after their 55th birthday. Repayment includes Fee-For-Service and managed care premiums/capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment cannot exceed the value of a member's probated estate.

To learn more, go to the Department of Health Care Services' estate recovery website at www.dhcs.ca.gov/er or call 916-650-0590.
