## STATE'S MEDICAID ELIGIBILITY QUALITY CONTROL REVIEW

The Department of Health Services (DHS) would like to commend and acknowledge County Medi-Cal program staff for their quality work. The Health Care Financing Administration (HCFA) calculated our State's Medicaid eligibility quality control (MEQC) payment error rate for the October 1993 through September 1994 period and the report shows the State's error rate was below HCFA's tolerance level.

The Department realizes that Medi-Cal is a complex program with continuous changes and we appreciate county staff dedication in ensuring that the Medi-Cal program policies and regulations are applied accordingly. With the support of your program staff, DHS will continue to maintain Medi-Cal program integrity, ensure benefits are issued timely and correctly to beneficiaries, and meet or exceed the established MEQC national standard.

Enclosed is a copy of the HCFA report for your review. Again, thanks for doing a wonderful job!

Sincerely,
