2025 HEALTH NET DENTAL AUDIT – CORRECTIVE ACTION PLAN RESPONSE

Dear Ms. Bosse,

The Department of Health Care Services (DHCS) Audits and Investigations (A&I) Division conducted an on-site audit of Health Net Community Solutions, Inc., a Medi-Cal Dental Managed Care Plan (Dental MCP), from September 2, 2025 – September 12, 2025. The audit covered the review period of April 1, 2024 – December 31, 2024.

On February 20, 2026, DHCS sent Health Net a Corrective Action Plan (CAP) request in response to the report originally issued on February 12, 2026. On March 20, 2025, Health Net provided DHCS with information and supporting documentation regarding its CAP response. DHCS has reviewed and has determined that Health Net has not yet satisfactorily resolved the CAP pursuant to the Dental MCP Contract and APLs 22-006 and 21-001.

On the enclosed CAP Response Form, DHCS has reviewed and responded to the findings. For any CAP that is not closed, please complete the CAP Response Form and submit supporting documentation organized in separate electronic folders that are clearly labeled by corresponding finding number (e.g., 1.1.1, 1.1.2, etc.).

DHCS is requesting that Health Net provide an updated CAP with documentation within thirty (30) days of this letter, pursuant to APL 22-009. Should you have any questions regarding this response, please email dmcdeliverables@dhcs.ca.gov.

Please note, if you are unable to correct the noted deficiencies and/or complete the CAP within six (6) months of receiving notice of violation from DHCS, DHCS may exercise its

The Medi-Cal Dental Managed Care plan (Dental MCP) is required to submit a corrective action plan (CAP) within 30 calendar days. The CAP response must include completion of the prescribed columns below to include a description of the corrective action, a list of all supporting documentation submitted, and the CAP implementation date. For systemic deficiencies that may be reasonably determined to require long-term corrective action for a period longer than 30 days to fully remediate or operationalize, the Dental MCP must demonstrate that sufficient progress has been made toward implementation of the CAP. In those instances, the Dental MCP is required to include the dates for key milestones as well as when full compliance will be achieved. CAP reporting on the deficiency(ies) will continue through demonstrative compliance.

The Dental Managed Care Unit of the Department of Health Care Services will maintain close communication with the Dental MCP throughout the CAP review process and provide technical assistance as needed.
