**FINAL NOTICE OF MONETARY SANCTION FOR FAILURE TO MEET AND EXCEED
MINIMUM PERFORMANCE LEVELS FOR MEDI-CAL MANAGED CARE
ACCOUNTABILITY SET PERFORMANCE MEASURES**

Dear Les Ybarra,

The Department of Health Care Services (DHCS) sends this Final Notice of Monetary Sanction Letter to Anthem Blue Cross Partnership Plan (Anthem) for failure to meet and exceed the required minimum performance levels (MPLs) for measurement year 2024 (MY24)¹ Medi-Cal Managed Care Accountability Set (MCAS) performance measures (Managed Care Plan (MCP) Contract, Exhibit A, Attachment 3, section 2.2 Quality Improvement System, subsection 2.2.9 External Quality Review Requirements).

Under California Welfare and Institutions Code (W&I) section 14197.7 and the MCP contract, DHCS has the authority to impose monetary sanctions for Anthem's failure to meet and exceed required MPLs for MY24, which has directly impacted Anthem's Members (MCP Contract, Exhibit A, Attachment 3, section 2.2 Quality Improvement System, subsection 2.2.9 External Quality Review Requirements). Pursuant to W&I section 14197.7(f) and the MCP contract, DHCS is authorized to impose a \$25,000 sanction per violation of Anthem's contractual obligation to meet and exceed MPLs for each MCAS performance measure (MCP Contract, Exhibit E, Program Terms and Conditions, section 1.1.19 Sanctions; W&I section 14197.7(e)).

Successful administration of the Medi-Cal program requires a collaborative partnership between DHCS and Anthem. This collaboration includes the expectation that Anthem meet their contractual and programmatic requirements on an ongoing basis. DHCS provides Anthem with regular opportunities for collaboration on strategies for improving

¹ Measurement Year 2024 (MY 24) covered activities conducted from January 1, 2024, to December 31, 2024

November 24, 2025

Anthem's MCAS performance measures required to meet and exceed MPLs, including engaging directly with Anthem on required Quality Improvement (QI) work, providing QI coaching, and providing opportunities to participate in statewide and regional quality improvement collaboratives.

On April 25, 2025, DHCS published APL 25-007 Attachment C², which provided MCPs with an overview of the MCAS monetary sanction methodology.

On August 21, 2025, DHCS received Anthem's reported MCAS rates through the External Quality Review Organization (EQRO).

On October 7, 2025, DHCS sent Anthem the Quality Sanction Bulletin via the Quality Monitoring Inbox, which provided a detailed overview of MCAS monetary sanction methodology for MY24.

DHCS determined that Anthem has 139 county-level measures below the MPL across four domain(s), triggering Tier 2 or Tier 3 quality sanctions in 13 county(ies). See Table 2 for enforcement tier designation triggers.

On October 16, 2025, DHCS notified Anthem that DHCS was imposing monetary sanctions in the amount of \$334,000.00 for Anthem's failure to comply with its obligations set forth in the contract. See Table 3 and/or 4 for Anthem's Sanction Determination Details.

Anthem did not request a meet and confer conference with DHCS within two business days of receiving the Notice of Intent to Impose Monetary Sanctions letter on October 16, 2025. This Final Notice of Monetary Sanction letter supersedes the Notice of Intent to Impose Monetary Sanctions letter and is made in accordance with W&I section 14197.7(g) and with the Quality Sanction Bulletin issued October 7, 2025.

As a result, DHCS determined that Anthem's final total sanction amount is **\$334,000.00**, which will be paid to DHCS via ACH/Wire or check payment. Please follow the included payment instructions to effectuate payment in full to DHCS. Please indicate the name of the MCP, MY, and the reason for payment when submitting your payment to DHCS. The effective date of this sanction is November 24, 2025. Payment for the MCAS MY24 Quality Sanctions is due immediately.
