Corrective Action Plan Response Form

DMC Plan: Health Net of California
Audit Type: Department of Health Care Services Audit

Review Period: 4/1/2023 – 3/31/2024
On-Site Review: 7/22/2024 – 8/2/2024

The Medi-Cal Dental Managed Care (DMC) plan is required to submit a corrective action plan (CAP) within 30 calendar days. The CAP response must include completion of the prescribed columns below to include a description of the corrective action, a list of all supporting documentation submitted, and the CAP implementation date. For systemic deficiencies that may be reasonably determined to require long-term corrective action for a period longer than 30 days to fully remediate or operationalize, the DMC plan must demonstrate that sufficient progress has been made toward implementation of the CAP. In those instances, the DMC plan is required to include the dates for key milestones as well as when full compliance will be achieved. CAP reporting on the deficiency(ies) will continue through demonstrative compliance.

The Dental Managed Care Unit of the Department of Health Care Services will maintain close communication with the DMC plan throughout the CAP review process and provide technical assistance as needed.
