Dear Ms. Cantwell:

The Centers for Medicare & Medicaid Services (CMS) is issuing technical corrections to California's section 1115 demonstration, entitled, "Medi-Cal 2020" (11-W-11193/9). The technical corrections ensure that the Special Terms and Conditions (STCs) accurately reflect CMS' approval and state operations of the demonstration. Specifically, this technical change will allow the Department of Health Care Services (DHCS) to accept applications from and designate a city to be a lead entity for the Whole Person Care Pilot Program.

To reflect upon the agreed terms between the state and CMS, CMS has incorporated the technical change the state requested into the latest version of the STCs. Copies of the updated STCs, waiver authority, and expenditure authority are enclosed.

Your CMS project officer, Mrs. Heather Ross, is available to address any questions you may have related to this correspondence. Mrs. Ross can be reached at (410) 786-3666, or Heather.Ross@cms.hhs.gov.

Official communications regarding official matters should be sent simultaneously to Mrs. Ross and Ms. Henrietta Sam-Louie, Associate Regional Administrator for the Division of Medicaid and Children's Health in our San Francisco Regional Office. Ms. Sam-Louie can be reached at (415) 744-3552, or at Henrietta.Sam-Louie@cms.hhs.gov.

Sincerely,
