SUBJECT: SHORT-DOYLE/MEDI-CAL COST REPORT SETTLEMENT TIMEFRAMES

REFERENCE: MHSUDS Information Notice No.: 17-025

This Information Notice (IN) communicates to Mental Health Plans (MHPs) that the Department of Health Care Services (DHCS) has established a timeframe for the settlement of all outstanding Short Doyle Medi-Cal cost reports that range from State Fiscal Year (SFY) 2010-11 through SFY 2017-18. The settlement dates have been set to allow DHCS to clear the backlog of unsettled cost reports, give the counties final figures for these years, and to allow the cost reporting settlement to occur on a regular business cycle.

Beginning with the SFY 2017-18 reporting period, DHCS will complete the interim cost settlements no later than twenty months after the close of the SFY. To accomplish this goal, DHCS has established the time line below for settling cost reports for Fiscal Year 2010-11 through Fiscal Year 2016-17.
MHPs must complete a number of steps in the cost reporting process in order for DHCS to be able to complete the interim cost settlement using a final reconciled cost report. The following table identifies the dates by when DHCS recommends that a MHP complete each of the steps. For those MHPs that do not file a final reconciled cost report that is clear of errors by the dates identified below, DHCS will calculate the interim cost settlement using the most recently filed cost report.

Existing State law and regulations\(^1\) authorize DHCS to impose administrative and financial sanctions whenever DHCS determines that an MHP has failed to comply with federal or State requirements, including statutes, regulations, and contractual requirements, California’s Medicaid State Plan, or 1915(b) Specialty Mental Health Services Waiver requirements. Accordingly, counties are further advised that DHCS is implementing a process to impose sanctions fines and penalties as a result of noncompliance. Details on the timing and process for administrative and financial sanctions will be communicated to the counties in a separate Information Notice.
