MINIMUM QUALIFICATIONS

It is your responsibility to make sure you meet the education and/or experience requirements stated on this bulletin by the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required. Part-time or full-time jobs, regardless of whether paid or volunteer positions, and inside or outside California state service will count toward experience.

NOTE: Applications/resumes MUST include “to” and “from” dates (month/day/year), time base, civil service class title(s), and range (if applicable). Applications/resumes received without this information will be rejected.

Qualifying experience may be combined on a proportionate basis if the following requirements include more than one pattern and are distinguished as either I, II, or III, etc.

Possession of a valid certification of registration in pharmacy issued by the California State Board of Pharmacy.

AND
Either I
Two years of experience performing the duties of a Pharmaceutical Consultant I, Department of Health Care Services.

Or II
Three years of experience within the last five years in the practice of community or hospital pharmacy (exclusive of internship) including one year of administrative, supervisory, or consultant experience either as owner or manager of a pharmacy, in a public health or welfare agency, or as a Chief Pharmacist in a medical clinic or hospital. (Experience as a registered pharmacist in teaching, research, or drug manufacturing may be substituted for up to one year of the required general experience.)

NOTE: Applicants using education to meet the minimum requirements must provide a copy of their degree or transcripts.

POSITION DESCRIPTION
Incumbents at this level function as staff specialists who develop policies for pharmaceutical services and benefits provided under medical care programs of the Department of Health Care Services; coordinate the development and promulgation of department policies and regulations regarding the administration and reimbursement of drug-related programs and services and prescribing, procuring, manufacturing, and dispersing drugs; analyze legislation and make recommendations; prepare cost containment proposals and serve as consultants on critical issues within the Department of Health Care Services. In the licensing and certification function of the Department, incumbents are assigned a geographical area with multiple district offices and provide guidance and consulting services to staff and health facilities’ operators on drugs and drug utilization, pharmacy practice, and pharmaceutical services which are required in health facilities including administrative, distributive, and clinical functions.

Positions exist with the Department of Health Care Services statewide.

EXAMINATION INFORMATION
This examination consists of the following component(s):

Evaluation of Education and Experience (E&E) – Weighted 100% of the final score.

No written test is required, and no interview will be conducted. An E&E examination is based solely upon information provided with the application. Information provided with the application will be assessed compared to a standard developed in relation to the elements of the job and linked to the knowledge and abilities required on the job.
Special care should be taken to submitting a complete description of your education and experience relevant to the typical tasks, scope, and minimum qualifications stated on this bulletin. Supplemental information will be accepted, but competitors should read this bulletin carefully to determine what kind of information will be useful to those individuals completing the evaluation.

The Department of Health Care Services reserves the right to revise the examination plan to better meet the needs of the service if circumstances under which this examination plan changed. Such a revision will be in accordance with civil service laws and rules, and all competitors will be notified.

Special Testing Arrangements: If you require assistance or alternative testing arrangements due to a disability, please contact the testing department listed in the Contact Information section of this bulletin.

EXAMINATION SCOPE

Ratings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring, relative to job demands, each competitor’s:

Knowledge of:
1. Drugs and medical supplies required in the operation of a pharmacy
2. Pharmaceutical chemistry
3. Drug utilization
4. Pharmacy economics
5. Drug purchasing, pricing, and inventory control
6. Principles of statistics
7. Medical care administration
8. Pharmaceutical manufacturing methods and drug distribution
9. Interrelationships of federal, state, and local professional and voluntary health and welfare agencies, and of programs and services of such agencies
10. Policies, standards, and regulations applicable to the Department’s pharmaceutical programs

Ability to:
1. Recognize, assess, and develop solutions to problems involved in the pharmaceutical aspects of medical care programs
2. Evaluate the quality and scope of pharmaceutical services provided under the program
3. Interpret and apply policies and standards for the pharmaceutical aspects of medical care programs
4. Establish and maintain effective and cooperative working relationships
5. Analyze situations accurately and take effective actions
6. Report on the effects of proposed changes in the pharmaceutical aspects of the programs
7. Communicate effectively
8. Formulate policies and standards for the pharmaceutical aspects of medical care programs

**Special Requirement:** Willingness to travel

**GENERAL QUALIFICATIONS**

Applicants must possess essential personal qualifications including integrity, initiative, dependability, good judgement, the ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

**ELIGIBLE LIST INFORMATION**

Possession of the entrance requirements does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. Names of successful competitors are merged into the list in order of final scores regardless of the date. Eligibility expires 24 months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

**NOTE:** Transfer of list eligibility is not permitted from a list established by an E&E examination to a list established by any other type of examination.

Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first.

Veterans’ Preference will be granted for this examination. In accordance with Government Codes 18973.1 and 18973.5, whenever any veteran, or widow or widower of a veteran achieves a passing score on an open examination, he or she shall be ranked in the top rank of the resulting eligible list.

Veteran status is verified by the California Department of Human Resources (CalHR). Information on this program and [the Veterans’ Preference Application](#) (STD. Form 1093) is available online. Additional information on veteran benefits is available at the Department of Veterans Affairs.

EQUAL OPPORTUNITY EMPLOYER
The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right of family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding, and related medical conditions), and sexual orientation.

DIVERSITY, EQUITY, AND INCLUSION
DHCS is committed to addressing disparities within our organization and in our communities through efforts toward greater diversity, equity, and inclusion. This is accomplished, in part, by a commitment toward employing a diverse workforce which reflects the many communities we serve, and by promoting and enforcing equal employment opportunity.

DRUG-FREE STATEMENT
It is an objective of the State of California to achieve a drug-free state work place. Any applicant for State employment will be expected to behave in accordance with this objective, because the use of illegal drugs is inconsistent with the law of the State, the rules governing civil service, and the special trust placed in public servants.
