CCS Information Notice No.: 04-15

**TO: ALL COUNTY CALIFORNIA CHILDREN'S SERVICES (CCS)
PROGRAM ADMINISTRATORS, MEDICAL CONSULTANTS, AND
STATE CHILDREN'S MEDICAL SERVICES (CMS) STAFF**

**SUBJECT: TELECONFERENCE WITH COUNTY CALIFORNIA CHILDREN'S
PROGRAM (CCS) FOR ENHANCEMENT 47 (E47) IMPLEMENTATION**

The implementation of E 47 will begin on July 1, 2004. All counties with the exception of Sacramento, Los Angeles and Orange counties are prepared to authorize in the new system. As with any new system, many details come up or situations that may not fit into previously given direction will arise. Certain items have already become evident that require system changes. "This Computes" will attempt to inform you as these changes are made. While trainings have taken place, we will all need regular updates for some time to follow. Likewise, local counties will want consultation for the first weeks of implementation to bring additional issues to light.

State staff will be conducting the teleconferences that will include policy, technical, and training staff

To keep in touch with the immediate issues of the local CCS offices, we will establish regular teleconferences, in the same manner that was done for the Gateway implementation. The first of these teleconferences will take place Monday, June 28, 2004, one at 10 a.m. to 12 p.m. and the second teleconference on the same day, at 1:30 p.m. to 3:30 p.m. There will be a maximum of 40 lines per teleconference, so there should be no problem with participation at either time. We will schedule these conferences regularly, with input on frequency and convenient weekdays during the first teleconference.

To dial in for participation, please use the following number:
