Recap Technical Workgroup Meeting 1

- Here’s what we heard through member goals, discussion, and comments
- Themes and change buckets

Recommendations that Require More Information

- What DHCS needs to know:
 1. To which bucket does the recommendation belong?
 2. How would the recommended change be implemented (i.e., what concrete actions need to be completed to implement the proposed change)?
 3. For higher-level goals that extend beyond the HCBA Waiver Renewal (e.g., consolidation of HCBS, moving HCBS waivers into managed care), is there language that could be included in the Waiver to lay the groundwork for future efforts? Are there opportunities to align the HCBA Waiver with statewide initiatives?
 4. Is the recommended change needed? Why/why not?
- Change Themes for Discussion:
 1. Waiver Personal Care Services (WPCS)
