Important Information about your Medi-Cal Waiver Services

Dear Waiver Participant:

You are getting this letter because you are enrolled in the Home and Community-Based Alternatives (HCBA) Waiver. The HCBA Waiver is the new name for the Nursing Facility/Acute Hospital (NF/AH) Waiver.

The way you get your waiver services is changing. You will soon have a local Waiver Agency managing your Waiver services.

What is a Waiver Agency?

A Waiver Agency is an organization in your area that will work with you the same way your assigned, state nurse does today. Your Waiver Agency knows how to provide home and community-based services and will make sure the Waiver services you receive continue to meet your needs.

How does a Waiver Agency help me?

Benefits of a Waiver Agency include:

- Better access to services
- Faster service authorizations
- A local Care Management Team made up of a nurse and social worker that will work with you to create a Plan of Treatment that meets your needs

Is my doctor/personal caregiver going to change?

No. Your current doctors and caregivers will work with the Waiver Agency to provide you with your Waiver services.

What if I don't want a Waiver Agency?

Waiver Agencies have a contract to do the care management tasks that used to be done by the Department of Health Care Services. Because you live in an area that is covered by a Waiver Agency, there is not an option to decline the Waiver Agency, unless you disenroll from the HCBA Waiver.

This change is happening so your waiver service providers work better together and work better for you. Through the waiver agency you will have access to a local care management team that will support your needs.

What should I do now?

There is nothing you need to do at this time. The Waiver Agency in your area will begin contacting you in July 2018 to schedule a visit with you. At that visit, they will introduce themselves and find out more about your healthcare needs.

This is the first letter telling you about this change. In about 60 days, you will get a second letter with more information about the Waiver Agency that is assigned to you.
