4. Upon approval of the application, the Fiscal Intermediary (FI), currently HP Enterprise Services, will mail each new Medi-Cal provider a welcome letter containing a provider identification number (PIN).

The PIN will be used in conjunction with the NPI so do not lose the letter.

For more information on the Medi-Cal Provider Application, visit:

<https://mcweb.apps.prd.cammis.medi-cal.ca.gov/references/forms>

Step 4

This step can be completed before receiving a PIN from HP Enterprise Services. Gain access to the electronic treatment authorization (e-TAR) request system and the Internet Professional Claim Submission systems.

1. To request e-TAR access, download and complete *the Medi-Cal Point of Service Network/Internet Agreement* located at: <https://medi-cal.ca.gov/file/manual?fn=pointfrm1net.pdf>
 - Complete section 1(a). Leave the third line (Owner Number) blank.
 - Complete section X.
 - Sign the form, and mail the completed form to DHCS-ISCD (address listed on previous slide).
2. To receive an access number to submit claims over the internet, Medi-Cal providers must sign a *Medi-Cal Telecommunications Provider and Biller Application/Agreement*, located at: <https://www.medi-cal.ca.gov/serp.aspx?q=Medi-Cal+Telecommunications+Provider+and+Biller+Application>
 - Mail the original form to the address indicated on the last page of the Application/Agreement.
 - Once processed, the CMC Unit will assign a unique three-character submitter number, which is required on all claim submissions.

Step 5

Contact the Small Provider Billing Unit for assistance with training, available training options include:

- Recipient eligibility verification
- CMS-1500 claim form completion
- Treatment authorization requests (TARs)
