4. Assembly Bill 1629 Policy – Supplemental Schedule 3

Subject to any changes in state or federal law and based on current proposed changes to AB 1629, beginning with rate year 2010 – 2011, the Department of Health Care Services (“the Department”) may begin using voluntary *Supplemental Schedule 3* to identify costs associated with insurance deductibles and any legal and consultant fees in connection with a fair hearing or other litigation against or involving any government agency or department. Detailed information and specific instructions for the new voluntary *Supplemental Schedule 3* will be available soon on the [Long Term Care Reimbursement AB 1629](#) page of the Department’s Web site.

Providers are required to submit the voluntary *Supplemental Schedule 3* to the Department no later than 30 days after the state budget is passed by the Legislature and signed by the Governor. If a provider fails to submit the schedule by the requested date, the Department will assume that the facility did not incur any of these costs.

Electronic Submission Required

It is critical that providers submit the voluntary *Supplemental Schedule 3* to the Department in a standardized electronic format and in a timely manner, as follows:

- Download the schedule in the prescribed Microsoft Excel format from the link above.
- Submit a completed version of the electronic schedule to the Department via an e-mail address created specifically for this document: supp1629@dhcs.ca.gov.
