

Department of Health Care Services
BULLETIN 2022-001

DATE: February 1, 2022

TO: All Participating Counties and Community-Based Organizations

FROM: Medi-Cal Health Enrollment Navigators Project (Navigators Project)

SUBJECT: Funding Opportunity to Increase Medicaid and Children's Health Insurance Coverage

This Bulletin serves to inform all Health Navigator Project Partners of the direct funding opportunity offered by the Centers of Medicare and Medicaid Services (CMS) on January 27, 2022. CMS is proposing to directly award up to \$1.5M in funds, for a maximum of 36 entities. This funding intends to connect more eligible children, parents, and pregnant individuals to health care coverage through Medicaid and The Children's Health Insurance Program (CHIP).

The Department of Health Care Services (DHCS) is passing along this information to those who are interested in applying for this grant directly.

For more information regarding this grant opportunity, please refer to the CMS [Announcement](#) or [Grant Notice](#). For any inquiries, please contact Naomi Shin: naomi@wynnehealth.com or Alyssa Llamas: alyssa@wynnehealth.com from the Wynne Health Group.
