Pregnancy Stakeholder Workgroup

The focus of the Pregnancy Workgroup is to ensure the successful implementation of the Pregnancy Expansion and the integration of the Medi-Cal Access Program (MCAP) into the California Healthcare Eligibility, Enrollment, and Retention System's business rules engine.

AGENDA:

Agenda Items

1. Provider Newsflash

- Reimbursement of Erroneous Denials for Pregnancy-Related Office Visit

2. AEVS messaging, Aid Code description(s), and Medi-Cal Provider Manual changes

- Feedback on advocates' comments of 1/25/16 on DHCS's latest proposed texts?

3. Covered CA enrollees to Medi-Cal during pregnancy

- For the transition CR, what language has the state adopted?
- In the interim, is there a Task Guide yet for the Service Center on the workaround? A MEDIL? Any technical difficulties getting women restored to QHPs?
- If for continuity of care a woman sees a perinatologist or delivers her baby through her QHP network, before being restored to Covered CA, how will she access retroactive coverage thru Covered CA?
- For the letter to affected women, any feedback on advocates' comments of 2/2/16? Has the letter gone out yet? Responses?

4. Covered CA enrollees to MCAP during pregnancy

- Has the Task Guide gone out to the Service Center? A MEDIL?
- Difficulty getting into MCAP. What is the technical glitch? How is it being addressed?
