

**Health Navigators Project (SB 154)**  
**Quarterly Stakeholder Meeting Feedback Survey**

To date, the Department of Health Care Services (DHCS), Health Enrollment Navigators Project (Navigators Project), have hosted a total of 5 Quarterly Stakeholder Meetings. These meetings are intended to enhance project communication regarding the Navigators Project activities and as a forum to address questions posed by various stakeholder groups. Previous meeting minutes and information are available on the [Navigators Project website.](#)

As we enter a second year of the project, the Navigators Team is releasing this Quarterly Stakeholder Meeting Feedback survey to any previous and/or current attendees to obtain any feedback or recommendations the Navigators Team can consider or utilize in our upcoming meetings.

Please complete the survey questions below. We welcome any feedback and/or recommendations. If preferred, your survey response will be anonymous.
