TO: ALL COUNTY WELFARE DIRECTORS
    ALL COUNTY ADMINISTRATIVE OFFICERS
    ALL COUNTY MEDI-CAL PROGRAM SPECIALIST/LIAISONS
    ALL COUNTY HEALTH EXECUTIVES
    ALL COUNTY MENTAL HEALTH DIRECTORS
    ALL COUNTY PICKLE COORDINATORS

SUBJECT: RETROACTIVE SUPPLEMENTAL SECURITY INCOME (SSI) TITLE XVI
        BENEFIT PAYMENTS.

The purpose of this letter is to inform counties of a change to the exclusion of
retroactive Title XVI, Supplemental Security Income.

Retroactive SSI/State Supplementary payments are issued after the calendar month for
which they are paid. For example, a benefit intended for January, but issued in
February, would be retroactive. Regular monthly benefits are issued in the month for
that month.

**Pickle, Disabled Adult Child(ren)s and Disabled Widow(er)s Programs**

The Social Security Act, as amended by the Social Security Protection Act of 2004
(Public Law 108-203), increased the exemption period for the SSI program from
six months to nine months following the month of receipt. (They are excluded in the
month of receipt.) The effective date is the date of enactment, which is March 2, 2004.

Enclosed are the corresponding amendments to the Pickle Handbook Section 13-5
(Income Flowcharts-Excluded) and Section 9-5 (Resource Flowcharts).
Due to the delay in implementing this change, the county shall rescind any
discontinuance or denial due to excess property as a result of applying only a six-month
exemption. The county shall redetermine eligibility and share-of-cost (SOC) as
appropriate and issue corrected notices-of-action (NOA) whenever:

- A case is known to the county to have been denied or discontinued in error, or
- As soon as a case is brought to the county’s attention, or
- When reopening a case which was closed since March 2, 2004.

Medically Needy Program/Medically Indigent Program and Other Programs
Following Medically Needy Property Rules

Currently, California Code of Regulations Title 22, Division 3, §50455 provides that
retroactive Title XVI payments are exempt for six months following the month of receipt.
However, the former Aid to Families with Dependent Children program exempted these
payments without a time limit. Therefore, effective October 1, 1990, retroactive
Title XVI (SSI payments) shall be exempt and not considered income or property.

Due to the delay in implementing this change, the county shall rescind any
discontinuance or denial due to excess property as a result of applying only a six-month
exemption. The county shall redetermine eligibility and SOC as appropriate and issue
corrected NOAs whenever:

- A case is known to the county to have been denied or discontinued in error, or
- As soon as a case is brought to the county’s attention, or
- When reopening a case which was closed since October 1, 1990.

Section 1931(b) Program

Important Reminder: This change does not affect the unlimited exemption for the
Section 1931 (b) program (see All County Welfare Directors Letter 98-43,
Section 50491(n) (2) of that letter).
