ARTICLE 5J-SPECIFIED LOW-INCOME MEDICARE BENEFICARY (SLMB) AND QUALIFYING INDIVIDUAL-1 (QI-1) AND QUALIFYING INDIVIDUAL-2 (QI-2) PROGRAMS

Enclosed is an updated Article 5J of the Medi-Cal Eligibility Procedures Manual. This article replaces the original article which describes the SLMB program's eligibility, application and benefits, with a revised version that includes the current forms. This article also incorporates the Ql-1 and Ql-2 programs added by the federal Balanced Budget Act of 1997. The SLMB and QI programs provide the state payment of part or all of the Medicare part B premiums.

5J -- SPECIFIED LOW-INCOME MEDICARE BENEFICIARY (SLMB) AND QUALIFYING INDIVIDUAL (QI) PROGRAMS

I. SPECIFIED LOW-INCOME MEDICARE BENEFICIARY (SLMB) PROGRAM

A. BACKGROUND

The Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508) added the SLMB program to Medi-Cal beginning January 1, 1993. The benefit under the SLMB program is limited to payment of the Medicare Part B premium.

Federal funding for the SLMB is at the regular federal reimbursement rate (in 2000 at 48.45 percent state, 51.55 percent federal).

Federal funding continues to be available for a SLMB for a month even if he or she is concurrently eligible under a different Medi-Cal program (see Section F below, "Dual Eligibility").

B. PROGRAM DESCRIPTION

SLMB Program: Is limited to the payment of the Medicare Part B premium. It does not pay the Medicare Part A premium or the Part B deductibles or coinsurance. The SLMB's Medicare Part B premium will be purchased under the State Buy-In process.

To be eligible a SLMB must:

- Be entitled to Medicare Part A and B;
- have no more than twice the Medi-Cal's property limit (\$4,000 for one person, \$6,000 for a couple);
- have income below 120 per cent of the FPL (110 percent for 1994 and 1995); and
- be a citizen or alien who would be eligible for full-scope Medi-Cal benefits if he or she were eligible for a regular Medi-Cal program except for excess income or property.

A SLMB who meets the Medi-Cal eligibility requirements for a different Medi-Cal program may receive benefits under both programs (SLMB and Medi-Cal) in the same month.

C. SCOPE OF MEDICARE PART B BENEFITS

Medicare Part B medical insurance includes doctor's services, outpatient hospital care, home health care, diagnostic tests, durable medical equipment, ambulance services, and many other health services and supplies.

D. ENROLLMENT

Enrollment may take place at any time after January 1, 1993.

E. ELIGIBILITY

Eligibility for the SLMB program shall begin the first month eligibility is approved on or after January 1, 1993. SLMB program applicants must first be evaluated for the QMB program. The income and property eligibility for the QMB/SLMB programs are to be determined using the two-step methodologies outlined in Section 5L-J of the Procedures Manual. Step one is the evaluation of income and property eligibility using Medi-Cal methodology; step two uses the Supplemental Security Income methodology. Applicants ineligible for QMB/SLMB using step one are to be evaluated using step two.

Applicants ineligible for the QMB/SLMB programs are to be evaluated for the Qualifying Individual-1 and Qualifying Individual-2 programs. See II, of this section. Applicants also have the option of being evaluated for other Medi-Cal programs. The MC-14A, QMB/SLMB/QI mail-in application form includes the question of whether the applicant wishes to apply for other Medi-Cal programs. Applicants interested in applying for other Medi-Cal programs are to be mailed the appropriate forms.

F. DUAL ELIGIBILITY

There is an advantage to California when a medically needy-only (MNO) beneficiary is determined concurrently eligible under the SLMB program. Medi-Cal buys-in for all MNO beneficiaries because it is cost effective; however, Medi-Cal does not receive Federal Financial Participation (FFP) for MNO individuals. When an MNO individual is eligible for the SLMB program and the aid code 8C is reported to the Medi-Cal Eligibility Data System, the State gains FFP for his or her SLMB enrollment.

G. RETROACTIVE BENEFITS

SLMBs may have up to three months of retroactive benefits, preceding the month of application, but not before January 1993.

H. MEDI-CAL CARDS

SLMBs will not be issued Medi-Cal cards for SLMB eligibility. However, those SLMBs with eligibility in another Medi-Cal program may be issued a Medi-Cal card as a benefit of that program.

AID CODE

The Department has established the 8C alphanumerical aid code to identify the SLMBs.

J. SLMB APPLICATION

The MC-14A is the mail-in application form for the QMB/SLMB/QI programs and can be used in place of the MC210 or SAWS forms. A face-to-face interview is waived for applicants using the MC-14A. Counties are to follow their own income verification procedures. It is recommended, however, that counties have potential beneficiaries photocopy and mail required documents and use telephone interviews to replace face-to-face interviews. The application date is the date the MC-14A is received by the county.

K. COUNTY RESPONSIBILTY

- Counties will issue a Notice of Action (NOA) when an applicant is approved for the SLMB program. The NOA for approval of benefits is on form MC 239 SLMB-1. If there is no eligibility for the SLMB program, the county shall determine eligibility under the QI-1 or QI-2 programs, under 5-J, Section II. If there is eligibility under the QI program, there is no need for the county to send the SLMB/QI denial notice MC 239-2.
- 2. Counties will issue all Spanish language MC 239 SLMB-1 forms to all individuals who request a copy.
- 3. Counties will process annual redeterminations for SLMBs.

L. CHARTS

- A matrix entitled, "Medicare Premium Payment Programs Eligibility Requirements
 Matrix" compares eligibility similarities among several Medicare premium payment
 programs. Items such as age, residency requirement and federal poverty level
 income are compared. It can be found in the Procedures Section, page 5J-11.
- 2. The "Medi-Cal Buy-In Programs Chart" lists the scope of Medi-Cal benefits under the various Buy-In programs and contains other useful information. See procedures Section 5-J-12.

N. MEDS INFORMATION

SLMB eligibility is to be reported to MEDS in the Special Program Segment, INQ1 under Aid Code 8C. The pending eligibility code of 691 (or 692 for retroactive eligibility reporting) will appear, until a confirmed Buy-In takes place. The eligibility code will then change to 001 (002 for retroactive Buy-Ins). The Medicare status will be 2 to indicate the state payment of Medicare premium).

II. QUALIFYING INDIVIDUAL-1(QI-1) AND QUALIFYING INDIVIDUAL-2 (QI-2) PROGRAMS

A. BACKGROUND

The federal Balanced Budget Act of 1997 (BBA, 1997), Public Law 105-33 added the Qualifying Individual-1 (QI-1) and Qualifying Individual-2 (QI-2) programs. Both are time limited programs beginning January 1, 1998 and ending December 31, 2002 that pay all or part of the Medicare Part B premium. The QI-1 program benefit is the payment of the Medicare Part B premium; the QI-2 benefit is the reimbursement of a portion of the Medicare Part B premium previously paid by the beneficiary. The QI-1 must be entitled to Medicare Part B, have no more than twice Medi-Cal's property limit (\$4,000 for one person or \$6,000 for a couple), and have income of at least 120 percent of the Federal Poverty Level (FPL) but below 135 percent. The QI-2 must have paid their Medicare Part B premium, have not more than twice the Medi-Cal's property limit, and have income at or above 135 percent of the FPL but below 175 percent.

The QI program is reimbursed at 100 percent federal reimbursement up to a fixed yearly federal allocation. Therefore, the number of individuals who can be served under these two programs is to be limited so that states do not exceed their allocations. (See Section K below, "Limiting the Number of QI Beneficiaries.")

The enhanced federal funding in a month is **not** available for QI costs if the QI is eligible under any other Medi-Cal program in that same month. (Federal reimbursement is **not** available for the months that a share of cost (SOC) individual meets his or her SOC and is considered Medi-Cal eligible. This is seamless to the QI since Buy-In of the Part B premium continues, but it is under the MN program. (See Section F below, "Dual Eligibility.")

B. PROGRAM DESCRIPTION

1. Ql-1 Program: Is limited to the payment of the Medicare Part B premium. It does not pay the Medicare Part A premium, or the Part B deductibles or copayments.

To be eligible a QI-1 must:

- Be entitled to Medicare Part B;
- have income at or above 120 percent of the FPL and up to but not including 135 percent;
- have no more than twice the Medi-Cal's property limit (\$4,000 for one person, \$6,000 for a couple); and
- be a citizen or alien who would be eligible for a regular Medi-Cal program except for excess income or property.

QI-1, Other Medi-Cal Coverage:

- An individual may not be determined eligible for the QI-1 program if he or she is eligible for any other zero SOC Medi-Cal program, such as SSI cash-based Medi-Cal, or ABD-MN with no SOC.
- 2. A QI-1 with a SOC is not considered eligible for the SOC program until the SOC is met. Therefore, the QI-1 may be reported to MEDS in both the QI-1 and the SOC aid code in the same month. However, federal enhanced QI-1 funding is not available in any month in which the SOC is met. Counties are not required to track QI-1s that meet or do not meet their SOC. The Department of Health Services (DHS) will adjust its internal Buy-In process to claim the appropriate enhanced federal funding for QI-1s. The Medicare Buy-in process will not be affected.
- QI-2 Program: Is limited to the reimbursement of a portion of the Medicare Part B premium that is paid by the QI-2. This portion is the increase in the Medicare Part B premium due to the transfer of Home Health Services from Medicare Part A to Part B. Beginning January 1998, one-seventh of this transferred amount is to be reimbursed to the QI-2 eligible. This fractional amount increases by one-seventh for each year the QI program is effective. Beginning October 1998, two-sevenths will be reimbursed for federal fiscal year (FY) 1999 and each year thereafter until FY 2003.

To be eligible a QI-2 must:

- have paid his or her Medicare Part B premium,
- have income at or above 135 percent of the FPL and up to but not including 175 percent,
- have no more than twice the Medi-Cal's property limit (\$4,000 for one person, \$6,000 for a couple), and
- be a citizen or alien who would be eligible for a regular Medi-Cal program

QI-2, Other Medi-Cal Coverage:

QI-2 individuals may not be determined eligible for any other Medi-Cal program. Since Medi-Cal pays the Medicare Part B premium for all full-scope Medi-Cal beneficiaries with Medicare entitlement, and the QI-2 program only reimburses individuals that have paid their own Part B premiums, individuals are not eligible for both programs at the same time.

C. SCOPE OF MEDICARE PART B BENEFITS

Medicare Part B medical insurance includes doctor's services, outpatient hospital care, home health care, diagnostic tests, durable medical equipment, ambulance service, and many other health services and supplies

D. ENROLLMENT

The new QI-1s and QI-2s may enroll in the program any time on or after January 1, 1998 and until December 31, 2002, subject to the availability of federal funding as addressed in Section K.

E. ELIGIBILITY

Eligibility for the QI programs shall begin the first month that eligibility is established after the designated dates listed in "Enrollment," above. QI program applicants must first be evaluated for the QMB or SLMB programs. The income and property eligibility for the QMB/SLMB/QI-1 and 2 programs are to be determined using the two step methodologies outlined in Section 5L-J of the Procedures Manual. Step one is the evaluation of income and property eligibility using Medi-Cal methodology; step two is using the Supplemental Security Income methodology. Applicants ineligible for QMB/SLMB/QI-1 or 2 using step one, are to be evaluated using step two.

Applicants also have the option of being evaluated for other Medi-Cal programs. The MC-14 A, QMB/SLMB/QI mail-in application form includes the question of whether the applicant wishes to apply for other Medi-Cal programs. Applicants interested in applying for other Medi-Cal programs are to be mailed the appropriate forms.

F. DUAL ELIGIBILITY

Although federal law precludes a QI-1 from being eligible for any other Medicaid program, medically needy (MN) individuals with a SOC may be eligible for QI-1 in those months that the SOC is not met. Medi-Cal "buys-in" for MN individuals because it is cost effective; Medi-Cal does not receive federal reimbursement for these individuals. Since the QI program receives the federal reimbursement rate of 100 percent, it is a financial advantage to DHS to enroll MN individuals in the QI-1 program. DHS will be responsible for tracking the month by month QI-1 eligibility in order to claim the appropriate federal reimbursement. The county responsibility is to review MN applications and redeterminations and, if eligible, put individuals into Aid Code 8D.

QI-2 federal funding is not available for dual eligibles.

G. RETROACTIVE BENEFITS

Unlike QMBs, QIs may have up to three months of retroactive benefits proceeding the month of application, but not before January 1, 1998.

H. MEDI-CAL CARDS

Qls will not be issued Medi-Cal cards for Ql-1 and Ql-2 eligibility. However, those Ql-1s with eligibility in another Medi-Cal program may be issued a Medi-Cal card as a benefit of that program.

I. AID CODES

DHS has established the following alphanumeric aid codes to identify QI-1s and QI-2s.

Aid Code 8D is for QI-1s; and Aid Code 8K is for the QI-2s.

J. BUY-IN/REIMBURSEMENT OF THE ALL OR PART OF THE MEDICARE PART B PREMIUM

As defined by the aid codes, the QI-1s full Medicare Part B premiums will be purchased under the State Buy-In process. The QI-2s are required to pay their own Medicare Part B premiums while in Aid Code 8K in order to be eligible for the reimbursement of a portion of that premium. Payments will be issued retroactively by the State at the end of each calendar year. QI-1s and QI-2s are identified on MEDS in the Special Program Segment (INQ1), under Aid Codes "8D" or "8K."

K. LIMITING THE NUMBER OF QI-1S AND QI-2S

Although the BBA, 1997, specifies 100 percent federal reimbursement for the QI-1 and QI-2 programs, this reimbursement is drawn from the state's fixed allocation. Once the allocation is exceeded, states are responsible for all remaining costs for the two programs. Therefore, states are permitted under federal law to limit the number of beneficiaries, subject to the following requirements:

- There will be a limited number of beneficiaries who qualify for QI-1 and QI-2 benefits in these new programs (8D and 8K) on a "first come, first serve basis."
- Those who qualify for the QI-1 and QI-2 program shall receive benefits through the calendar year.
- 3. Those who qualified for assistance in the last month of the previous year have preference the following year; however, federal law states that the QI is "not entitled to continued assistance for year. It appears unlikely that the California allocation will be exceeded. DHS will inform the any succeeding year." If DHS estimates the number of QI's on aid in December would cause the following year's allocation to be

exceeded, DHS will limit the number of QI-s for the following year. It appears unlikely that the California allocation will be exceeded. DHS will inform the counties should there be a possibility that QI eligibility is to be limited.

4. Those whose eligibility must end December 31 will receive a NOA form and a packet of forms from DHS indicating that the discontinuance is due to the exhaustion of federal funds. The NOA requests that the individual complete the forms and return them for a redetermination of eligibility. If the discontinued individual completes the packet, returns it to the county, and is found potentially eligible, he or she will be pended to a QI "waiting list" for QI federal funding to become available as other individuals go off the QI system.

Note: The NOA and packet of forms referred to in number 4, have not been implemented. The State will notify the counties when they are operational.

L. QI APPLICATION

The MC-14A is the mail-in application for the QMB/SLMB/QI programs and can be used in place of the MC210 or SAWS forms. A face-to-face interview is waived for applicants using the MC-14A. Counties are to follow their own income verification procedures. It is recommended, however, that counties have potential beneficiaries "photocopy and mail required documents" and use telephone interviews to replace face-to-face interviews.

QI applicants are not to be asked for verification of property. Counties may seek verification from other sources. If information conflicts with verifications from other sources, the county can ask the QI for verification to clarify the inconsistency.

The application date is the date the MC-14A is received at the county.

M. COUNTY RESPONSIBILITY

- Counties will issue a NOA indicating whether an applicant is approved or denied for the QI-1 or QI-2 program. The NOA for the approval of benefits is on form MC 239-1 QI, and the NOA for denials is on form MC 239-2 SLMB/QI. Both forms are available in both English and Spanish.
- 2. Counties will issue Spanish language forms to all individuals who request copies.
- Counties will process annual redeterminations, based on the Medi-Cal approval date, or pend redeterminations until the annual FPL Levels are received. Applicants can use the MC 14-A instead of the MC 210.

N. STATE RESPONSIBILITY

- 1. DHS will issue a Notice Type 18 to the QI-1 when the Social Security Administration approves the individual's buy-in for Medicare Part B.
- 2. DHS will issue the a Notice Type 19 to the QI-2 when DHS confirms that the individual has paid his or her monthly Medicare Part B premium and is therefore eligible for some or all of the QI-2 yearly refund check.

- DHS will send a listing of QI-1s and QI-2s that have received Notice Type 18 and 19.
 This listing is provided to the county for information purposes only. No action is required.
- 4. DHS will issue a "Pending-Status" NOA which indicates that although the individual is eligible, there is a delay in his or her becoming a QI due to lack of federal QI funds. The individual is then pended to the QI system waiting list until someone drops off and funding for the individual's Medicare Part B premium is available.

Note: The "Pending-Status" NOA has not been implemented. DHS will notify the counties when it is operational.

5. DHS will send a NOA and the appropriate forms to certain previously eligible QI individuals informing them they will be discontinued from the QI program the following year due to insufficient federal funds. If the individual completes the package of forms and returns them to the county, the county will complete the eligibility redetermination. If he or she is determined to be eligible, the county will pend the individual on the QI system waiting list. If/when funding becomes available for a pended individual's payment of part or all of the Medicare Part B premium, the county will notify the individual by sending him/her a MC-239-1, NOA.

Note: The QI system waiting list has not been implemented. The counties will be notified and provided instructions prior to implementation.

O. CHARTS

 programs. Items such as age, residency requirement and federal poverty level

Q. MEDS INFORMATION

- The QI system will also list those who are currently eligible and funded for the QI program in the MEDS Special Program Segment (SPS), INQ1 (See Section J, above) under the appropriate Aid Code, 8D or 8K.
- 2. DHS is proposing additional changes to the QI program and MEDS in order to maintain a pending file for persons eligible for QI, but who cannot be enrolled because the state has projected that the yearly allocation will be insufficient to cover additional eligibles. The purpose of this pending list is to enroll persons in the QI program, as other QIs lose their eligibility during the year. DHS will notify the counties when these additional changes are operational.

- 5. Effective eligibility date for this budget: Enter the month in which eligibility will begin with this budget computation.
- 6. Case number: For family members who are applying as an ABD medically needy (MN) QMB/SLMB/QI applicant and those included in the MFBU as ineligible members: enter the county code, appropriate aid code, the seven-digit number, MFBU number, and the person's number. If the county does not use the seven-digit serial number, enter zeros in front of the serial number until there are seven digits. For the family members who are not included in the MFBU as eligible members, enter their status under the case number.
- 7. Name: Enter the names of all family members living in the home in accordance with the California Code of Regulations (CCR), Title 22, Section 50071, and any ABD person or spouse of an ABD person in LTC or board and care. - Other coverage code: Determine the other coverage code in accordance with Section 15.A. of the procedural portion of the Medi-Cal Eligibility Manual.

SECTION I. INCOME OF POTENTIAL QMB/SLMB/QI COMPOSITION

In this section enter all the nonexempt unearned and earned income of the QMB/SLMB/QI applicant(s) and ineligible spouse, if any, who is applying as ABD in Section I(a) and (b), providing the spouse or parent is a member of the MFBU (either an eligible or ineligible member). Do not list income which is exempt in accordance with CCR, Sections 50523 through 50544.

NOTE: The ownership of the income determination required by CCR, Section 50512, should be determined prior to the completion of this portion of the form if there is a spouse with LTC status who is in a separate MFBU.

This is the total unearned income of the QMB/SLMB/QI spouse; ineligible spouse; or parent of the QMB/SLMB/QI child applicant of the MFBU.

INSTRUCTIONS, MC 176-2 B QMB/SLMB/QI

Form MC 176-2 B QMB/SLMB/QI, Income Eligibility Work Sheet, is used to compute the income (using current Medi-Cal income methodology and incorporating certain SSI/SSP methodology for QMB/SLMB/QI income criteria which is less restrictive than Medi-Cal methodology) for allocating income from an ineligible parent(s) for a child who is applying under the QMB/SLMB/QI program. This form is used if the child does not qualify using Medi-Cal income rules only. This form is completed at the time of a new application, restoration, reapplication, change in income, or other circumstances affecting the income or correction in the income.

NOTE: The MC 176-1 QMB/SLMB/QI should be completed prior to completion of the 176-2 B QMB/SLMB/QI to determine if the child is found to be eligible using Medi-Cal rules.

Identification Section

- 1. Enter: Case name
- 2. County district: If the county has districts, identify the district.
- 3. County use: Make any entries the county department has designated it wants.
- Check the appropriate box which gives information concerning the reason for the computation. The box "new application" includes restorations and reapplications.
- 5. Effective eligibility date for this budget: Enter the month in which eligibility will begin with this budget computation.
- 6. Case number: For a QMB/SLMB/QI child who is applying as blind or disabled (BD) medically needy (MN), enter the county code, appropriate aid code, seven-digit number, MFBU number, and the person number. If the county does not use a seven-digit serial number, enter zeros in front of the serial number until there are seven digits. For the family members who are not included in the MFBU as eligible members, enter their status under case number.
- 7. Name: Enter the names of all family members living in the home in accordance with the California Code of Regulations (CCR), Title 22, Section 50071, and any BD person or spouse of an BD person in LTC or board and care. Enter an unborn child by listing as the name "unborn" and expected date of birth after "unborn."
- 8. Birth date: Enter the birth date of each person listed. Under sex, enter "M" for male or "F" for female for each person listed.
- Social Security Number: Enter the Social Security number for each person applying as a QMB/SLMB/QI. If a person does
 not have a Social Security number, he/she is not eligible as a QMB/SLMB/QI. Enter the Medicare or Railroad Retirement
 claim number, if any. See CCR, Section 50187.
- Other coverage code: Determine the other coverage code in accordance with Section 15, Part A, of the procedural portion of the Medi-Cal Eligibility Manual.

Section I. Parent(s) or Stepparent(s) Income of Potential QMB/SLMB/QI Child Applying as Blind or Disabled (BD)

In this section, enter all the nonexempt unearned and earned income of the ineligible parent(s) of the child who is applying as an BD MN under the QMB/SLMB/QI program. NOTE: "Ineligible parent(s)" refers to the parent(s) of the child who is applying under the QMB/SLMB/QI program. Do not include a parent(s) who is eligible as a QMB/SLMB/QI, PA, or other PA. Only include the income of an ineligible parent(s).

NOTE: The ownership of the income determination required by Section 50512 should be completed prior to the completion of this portion of the form if there is a spouse with LTC status who is in a separate MFBU.

A. Nonexempt Unearned Income

When any of the following deductions apply to a person's income which will be listed in Section I, complete Section VI, Part A, of the MC 176 W instead of lines 1 through 5.

Educational Expenses Section 50547
Absent Parent Support Section 50541
Income for Self-Support Section 50551.5
Court Ordered Child/Spousal Support Gibbins v. Rank

- 1. Enter: Social Security income.
- 2. Net income received from property.
- 3-4. Enter the amount of all other uneamed income.
 - 5. Total the amounts in Section I, Part A, lines 1 through 4. This is the total unearned income of the ineligible parent(s) of the potential QMB/SLMB/QI child.
 - 6. Enter the total amount allocated to the minor child(ren), if any, from the ineligible parent(s). Enter the figure computed from Section II, line 5, onto line 6(b).
 - Subtract line 6 from line 5 or enter the amount from MC 176 W, Section VI, Part A, on 7(a). If this is a minus amount, enter zero on line 7(b) and the minus amount on Section I, Part B, line 11. Otherwise, enter the amount on line 7(a) onto line 7(b).
 - 8. No entry. This shows the \$20 any income deduction.
 - 9. Subtract line 8 from fine 7(b). This is the countable unearned income. If the countable unearned income is a minus figure, enter zero on line 16 and enter the minus figure, which is the unused portion of the \$20 any income deduction, in the blank provided on line 12.

B. Nonexempt Earned Income

When any of the following deductions apply to a person's income which will be listed in Section 1, complete Section VI, Part B, of the MC 176 W, instead of line 11:

| Student Deduction | Section 50551 |
|-------------------------------------|-----------------|
| \$30 Plus One-Third, or \$30 | Section 50551.1 |
| Work Expenses for the Blind | Section 50551.4 |

- 11. Enter the unused amount of any allocation for ineligible minor child(ren) that was not offset by countable unearned income (Section I, Part A, line 6). NOTE: If there is no income remaining, either unearned or earned, do not allocate to the QMB/SLMB/QI child(ren). Enter zero in Section III, line 1. If there is income, proceed with line 12.
- 12. Enter the \$65 of the \$65 and one-half deduction plus any unused portion of the \$20 any income deduction.
- Subtract lines 11 and 12 from line 10 to obtain the remaining earned income of the ineligible parent(s). Enter zero if the remainder is a negative amount.
- 14. Divide by 2.

- 18. Enter the parent(s) deduction. Use the parent deduction of a QMB/SLMB/QI child(ren) for an individual, if one ineligible parent lives with the child(ren), or use the parent deduction of a QMB/SLMB/QI child(ren) for a couple, if both ineligible parents live with the potential QMB/SLMB/QI child.

- 2. Enter the potential QMB/SLMB/QI child's own RSDI income.
- 3. Enter any other unearned income the potential QMB/SLMB/QI child may have.
- 4. Total lines 1 through 3.
- 5. No entry. This shows the \$20 any income deduction.
- 6. Subtract line 5 from line 4. This is the total remaining countable unearned income.

- 8. Deduct any impairment related work expenses the potential QMB/SLMB/QI child may have.
- 9. Enter the \$65 of the \$65 and one-half deduction plus any unused portion of the \$20 any income deduction.
- 10. Subtract lines 8 and 9 from line 7 to obtain the remaining earned income of the potential QMB/SLMB/QI child(ren).
- 11. Divide the amount on line 10 by 2 to obtain the total countable earned income of the potential QMB/SLMB/QI child(ren).
- 12. Total lines 6 and 11 for the combined net nonexempt income of the potential QMB/SLMB/QI child(ren).
- 13. Enter the current QMB/SLMB/QI poverty level for one. If line 12 is less than or equal to line 13(a), the child is eligible for QMB. If line 12 is less than line 13(b), (c), or (d), the child is eligible for SLMB or QI-1 or QI-2. If line 12 exceeds line 13(a), (b), (c), or (d), deny QMB/SLMB/QI-1/QI-2 only if Section III, item 5 of the MC 176-1 QMB/SLMB/QI form has been completed.

Eligibility Worker signature: The worker enters his/her signature.

Worker number: If the eligibility worker has a county number, enter here.

Date of computation: The eligibility worker completes the box with the date the form was completed.

County use: Optional-to be used in accordance with county policy.

SECTION NO.:

A QMB, SLMB, QI-1, or QI-2 who is not married or not living with his/her spouse must have countable property which is equal to or less than \$4,000. A QMB, SLMB, QI-1, or QI-2 who is married and living with his/her spouse must have countable property which is equal to or less than \$6,000.

The following gives examples of countable property. Important: The home you and/or a spouse live in does *not* count. One car used for transportation does *not* count. If you apply at the county welfare department as a QMB, SLMB, QI-1, or QI-2, the county may treat the property listed on this form differently. There are other types of property which will also be looked at by the county welfare department, i.e., certificates of deposit. This other property may or may not count towards the property limit.
