The purpose of this All County Welfare Directors Letter (ACWDL) is to provide counties with guidance for processing the 2024 Social Security Administration (SSA) Cost of Living Adjustment (COLA) in the Statewide Automated Welfare System (SAWS). The process of applying the COLA to certain current Medi-Cal member eligibility groups has not changed and is only updated with the details provided below in this annual letter. Counties shall process the 2024 SSA COLA in compliance with the policy of this letter. This ACWDL also provides updated federal Substantial Gainful Activity amounts for 2024.

This letter provides counties with the following enclosure:
Enclosure 1: SSA Fact Sheet: 2024 Social Security Changes

## Title II Retirement, Survivors, and Disability Insurance COLA

SSA COLA for 2024 will be 3.2 percent.
It should be noted, as in previous years, that the SSA applies the COLA to the actual, rather than the rounded, benefit amount. This may result in a $\$ 1$ discrepancy in Title II benefits for some Medi-Cal members, therefore, a $\$ 1$ understated share of cost (SOC) will be less than the actual amount. In order to avoid the unnecessary expense of computing every Title II case subsequently identified as having an incorrect SOC solely due to the COLA, counties are authorized instead to correct the SOC the next time the budget is recalculated due to a change-in-circumstance or at annual redetermination and will not be cited with Quality Control (QC) errors. Please refer to ACWDL 14-18 for further information regarding processing changes-in-circumstance and annual redeterminations.

## Processing the 2024 SSA COLA for Modified Adjusted Gross Income (MAGI) Eligibility Groups

The processing of the 2024 COLA will not affect the MAGI eligibility groups. The California Healthcare, Eligibility, Enrollment and Retention System (CalHEERS) will not complete a batch run for the SSA COLA at this time. Once 2024 federal poverty levels (FPLs) are updated in CalHEERS, the process by which the 2024 FPL updates are implemented will be the same as in 2023. The Department of Health Care Services (DHCS) will send a mailer to MAGI beneficiaries potentially impacted by the change to inform them of the FPL increase and that they may request a redetermination backdated to January 1, 2024.

## Processing the 2024 SSA COLA for Non-MAGI Eligibility Groups

The 2024 SSA COLA will be disregarded from the eligibility determination for the Aged and Disabled FPL, Blind FPL, and Medicare Savings Programs until the publication of the 2024 FPL rates. All medically needy cases with Title II income must have the SOC adjusted to reflect the COLA, effective January 1, 2024. During the Continuous Coverage Unwinding, counties are to treat the COLA as a change in circumstance and follow guidance outlined in ACWDL 22-18. DHCS would also like to remind counties to assess Medi-Cal members for Pickle, Disabled Adult Child (DAC), and Disabled Widower (DW) programs as they are on the Mega Mandatory list per
ACWDL 17-03.
Information regarding Medicare Premiums for 2024, Pickle In-Kind Support and Maintenance Values (ISM), Supplemental Security Income/State Supplemental Payment (SSI/SSP) Payment Standards, Pickle Resource Eligibility, and Pickle Multipliers will be released in forthcoming ACWDLs.

## 2024 Substantial Gainful Activity (SGA) Amounts Effective January 1, 2024:

\$1,550 for non-blind individuals
$\$ 2,590$ for blind individuals
Effective April 1, 2023, the Continuous Coverage Unwinding began and counties are instructed to follow the policy guidance outlined in ACWDL 22-18 and MEDIL I 23-02 regarding the unwinding process and resumption of redeterminations.
