SUBJECT: STATE BUY-IN PROBLEM REPORTS - DHS 6166 (4/90)

Reference: ACWDL 89-13, 89-108

The purpose of this letter is to announce the implementation of the MEDS/Buy-In on-line system effective February 22, 1990 and also notify county staff of the availability of a revised State Buy-In Problem Report form (DHS 6166 (4/90)).

In ACWDL 89-108, county staff were asked to suspend forwarding State Buy-In Problem Reports to the Medicare Buy-In Unit to allow time for system conversion, implementation and testing. Now that the new MEDS/Buy-In on-line system has been implemented, county staff may once again begin to submit Buy-In complaints to the Buy-In Unit for processing after checking current status on MEDS.

Enclosed is a copy of the new Buy-In Problem Report form to be used effective April 2, 1990. The form has been revised to include space for Qualified Medicare Beneficiary (QMB) problem identification as well as instructions for completion on the reverse. The revised form should simplify reporting and ensure that pertinent information is available for timely resolution of Buy-In problems.

Please destroy the old HAS 8 forms and any earlier versions of the DHS 6166 and notify your staff to use only the new DHS 6166 (4/90) form. The form may be ordered from the Department of Health Services warehouse at the address below:

Department of Health Services
1037 No. Market Boulevard, Suite 9
Sacramento, CA 95834
(916) 928-9203

Although the new on-line system may not resolve all existing Buy-In problems, we do expect a significant reduction. Therefore, we strongly suggest that your staff re-evaluate Buy-In problems to see if they still exist prior to submitting Buy-In Problem Reports.
If you have any questions or need additional information regarding the DHS 6166 (4/90) form, please contact Charlotte Gordon at (916) 739-3200.

Sincerely,
